- As we approach the end of the year, please be aware that the "Grades" tab in Infinite Campus will be closed to parents starting on May 18th and opening again on May 30th after 5:00 pm. Closing the "Grades" tab allows teachers the opportunity to enter student grades and create the progress reports. On May 30th you can access your child's report card via Infinite Campus. Please note that when reviewing your student's report card, teacher comments do not show up in the portal when looking at the main Grades screen. They do, however, if you access the Reports screen. From there, you can generate a report card in pdf format that will have all the comments. If you need to set up your parent portal account in Infinite Campus, please click here.
- After the school year ends, all lost and found items will be donated to a local charity. Please remind your child (ren) to check the lost and found in the cafeteria and down their grade level hallways for any items they may be missing. Thank you!
- It's that time of year again...time to think about the easy way to buy back to school supplies! Please click here to get started with your order from 1st Day School Supplies. Orders are due by June 15th.
- Save the date! The Woodland School picture day for the 2018/2019 school year will be held on Thursday, August 16th from 11:00 am until 6:00 pm.
- Please see the attached flyer or visit the KASD website and check out the Community Events page for more great opportunities and activities for your family.
- Please remember to take care of any negative lunch balances on your child's Chartwells account before the end of the school year. You can log on to Infinite Campus to access the account and pay the balance or send payment to the Elementary office. Thank you!

Re: Medication Pick-up - End of Year/Summer School

MEDICATION PICK UP

For students whose parents have provided medications this school year, parents/guardians are reminded to pick up the medication from the school office by **June 7, 2018**. The medications will **not** be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by June 14, 2018 **will be disposed of**.

For students who are attending summer school **Archery, Band, Lego MindStorm, Intro to Programming, River Studies, Sports (academy, camps, leagues, skill development), Swim or Strength, Speed & Agility**, parents and students must plan ahead to have emergency medication available while the student is in one of these activities held away from Woodland. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

MEDICATIONS TO WOODLAND FOR SUMMER SCHOOL

For students who also receive prescription or over the counter medications this school year and have enrolled in **summer school with classes held at Woodland**, your child's medications will be sent to Woodland School. Parents/guardians are reminded to pick up the medication from the school office by the end of Summer School. The medications will not be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by the end of Summer School **will be disposed of**.

If you have any questions, please feel free to call. Thank you for your cooperation.

UNLESS.... Coin Drive

Next week, May 14-18, the elementary/intermediate students are invited to participate in the UNLESS coin drive. Students may bring in spare change to add to the "L". The "L" will make its way around to each elementary classroom sometime during each of the days next week. The intermediate students will add to the "L" during their lunch hour. All money donated goes towards our school wide UNLESS cancer fundraiser.

Thank you!
