Spring Is in The Air – What’s Blooming in the Cafeteria?

We hosted a Student Choice tasting/voting event at Kimberly High School where students tasted recipes from two different menu concepts:

Bok Choy offers inspired dishes from Japanese, Chinese, Thai, and Korean food cultures including bright colors, aromatics, and sweet & spicy flavors.

Big City Barbeque offers a variety of high-quality proteins with flavorful and globally inspired sauces to create BBQ-inspired entrees.

Students were able to text in to vote for their favorite concept. Bok Choy won with 496 votes! Students at Kimberly High School can look forward to this concept on their menu beginning in April.
