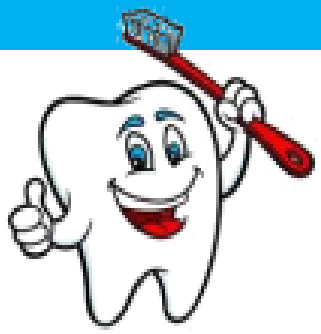
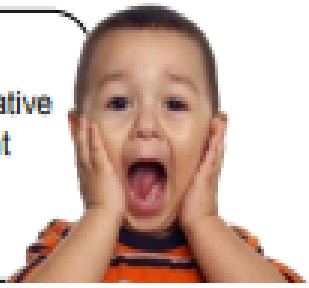
February is National Children's Dental Health Month!



Brush your teeth with fluoride toothpaste and clean between your teeth for a healthy smile!!

-American Dental Association

Did you know that dental cavities are the leading cause of tooth loss in children? Routine preventative dental care provides services that work to prevent decay and offers the education necessary for instilling life-long healthy dental habits.



Kimberly Area School District cares about keeping your smile healthy! Bridging Brighter Smiles provides these valuable preventative services in the comfort of our school, during school hours. This program is open to all students in grades 4K-12.

- Oral Screenings
- Cleanings
- Fluoride Varnish Applications
- Dental Sealants (Prevents Cavities)
- Dental Health Education
- Referral Assistance
