**The Arts: Visual and Musical are very important to the success of our Mapleview and Woodland Intermediate School students. The Arts enhance the student's personal, emotional, social and intellectual development to become a quality member in today's world.**

**Below is a list of 15 ways Arts Education fosters the growth and development of our Intermediate students:**

- |   |  |
|---|--|
| 1. Develops imagination and creativity  | 9. Develops social skills, friendships and appreciation for others.                                    |
| 2. Develops creative problem-solving skills                                     | 10. Fosters cultural awareness and community building  |
| 3. Develops critical thinking, decision making, analysis, and evaluation skills | 11. Heightens awareness and sensitivity to the environment   |
| 4. Allows for diverse and creative approaches to learning                       | 12. Develops positive work habits, a sense of craftsmanship and pride                                  |
| 5. Provides a way for self-expression and communication                         | 13. Aids development of small and large motor skills and physical coordination                         |
| 6. Strengthens student's confidence   | 14. Positively affects academic performance in English, math, reading, science, history, and geography |
| 7. Serves as an emotional release   | 15. Generates HAPPINESS  |
| 8. Helps decrease and prevent negative behaviors                                |  |
