NEWS RELEASE FOR IMMEDIATE RELEASE

Two New Assistant Principals for Kimberly Area School District

Kimberly, Wis. – February 27, 2018 – The Kimberly Area School District (KASD) Board of Education is pleased to announce that next school year Stephen Paske and Kaaren Weyers will both join Kimberly High School as Assistant Principals.

Stephen Paske began his educational career as a Special Education Teacher for elementary and middle school students in Milwaukee Public Schools. He was a Special Education Teacher at J.R. Gerritts Middle School for five years. Then two years ago, he took an Associate Principal position at River View Middle School in Kaukauna. "When I left Kimberly to pursue an administrative opportunity in a neighboring district, the feeling was bittersweet as I was excited about the chance

to move forward in my career, but sad to leave such an outstanding school community," said Paske. "I am thrilled to return as I know from firsthand experience that Kimberly schools are second to none in terms of the quality of their staff and culture." Paske earned his undergraduate degree at Marquette University. He has two master's degrees – one in Cross Categorical Special Education from Cardinal Stritch University and another in Educational Leadership from Marian University.
