Bingo Night!

Please join us for a free family bingo event! February 22 at 6:30 for an hour of fun. You can also press your luck with the 50/50 raffle!

Skate City Night

Skating time is here! Unfortunately because of the weather we opted to be safe and cancel, but luckily Skate City was very understanding and rescheduled the fun! Please join us January 25th from 6 until 8:30.

Box Tops

Congratulations to Mrs. Bons third grade class! Her class won the October/November classroom challenge. They chose PJ day and a popcorn treat! Thank you everyone for all your hard work collecting. Those little things don't seem like much, but add up quickly; so far this school year we've already received \$1400! Keep them coming for the December/January classroom challenge.

Thank you!

Many companies in the Fox Valley put a high value on their employees taking an active role in their community. One company we know of is Thrivent and another is the Railroad; because of programs like these some of our Janssen families such as Joy Sams, Jen DePrycker and Amy Regal have been able to designate money from their companies to Janssen!

The PTO has set big goals this year of creating an outdoor classroom by improving and cleaning up the courtyard as well as finding ways to help improve the Janssen playground equipment. If you're an employee of one of these companies or your company does something similar please reach out to the PTO if we can help with paperwork or documents to submit.

Thank you all for your participation at Janssen events & fundraisers!
