## 8th Grade Strength Training

The JRG Strength Center will be open for after school workouts starting Monday, November 27th. Please be aware this opportunity is only available for any of our 8th Grade students. Our program consists of training two days per week immediately after school until 4:10.

8th grade boys will train on Mondays and Wednesdays, while girls will train on Tuesdays and Thursdays. There is no signup required, however each student is required to "check in" with a QR code for attendance purposes each day. Throughout the program students will be taught proper form and technique for a variety of exercises through a supervised strength training program. We encourage students to attend as regularly as possible when they are not involved in another sport. This program will be offered throughout the year, however regular attendance is encouraged.

Please contact Mr. Knapp or Mr. Chalupny with any questions.
