COLOR GUARD TRYOUTS

May 9th, 14th & 16th 4:00-6:00 at Janssen Elementary

No Experience Necessary.

We welcome students who are willing to work hard and try their best.

Color Guard is a summer & fall sport that works as an extension of the band by performing routines with flags. We perform at each home varsity football game, the homecoming parade and the Appleton Christmas Parade. Practices are typically Tuesday and Thursday after school from July through November. MICROSOFT GIRLS WHO CODE EVENT

Wednesday, April 17, 2024

4:00 - 6:00 PM

J.R.Gerritts Middle School LMC

All 5th through 8th grade girls are invited to participate in our third annual WIT Wisconsin - Microsoft Girls Workshop! This event is sponsored by Kimberly-Clark who has generously offered to provide Adafruit and a pizza dinner for all participants. Girls who attend will discover new technology through the use of the Adafruit Playground Express circuit boards, as well as hear from female role models in the tech world who are excited to share their passion for computer science!

If you have an enthusiasm for computer science or are interested in learning more, we encourage you to join us! To register, complete the [WIT Girls Who Code Sign-Up](#).

Registration is due Thursday, March 28th. Due to a limited number of Adafruit, the first 40 girls to sign up will receive their own Adafruit.

Participants will need to bring their Chromebooks with them to the middle school to complete the activities.

Dear J.R. Gerritts Parent or Guardian:

JR Gerritts students will be participating in the Wisconsin State Forward Exam this Spring. All students will take the Language Arts and Math assessments. 8th grade students also take the Science and Social Studies Exams.

The JRG Forward Exam Schedule for the 2023-2024 School Year will be as follows:

- March 19th: 8th Grade Social Studies
- March 20th: 7th and 8th Grade Language Arts
- March 21st: 7th and 8th Grade Language Arts
- April 16th: 7th and 8th Grade Math
- April 17th: 8th Grade Science

NEW FOR 2023-24

All students will have access to a Text-to-Speech feature on this year's Forward Exam. Students will need to bring in a pair of **plug-in** headphones or earbuds for the Forward Exam this year. This was a required school supply for the year, so please be sure your child has a pair for testing.

The results from state testing, along with local measures such as report cards, classroom assessments and teacher feedback, provide meaningful information about students' academic achievement to parents, students, teachers and the school district.

Additional information about the Forward Exam can be found in the accompanying resource. If you have questions about the Forward Exam, please contact me.

Sincerely,

Rob DeLain - JRG Principal

Risk Behavior Survey Opt Out Form

Our school is taking part in the Risk Behavior Survey. The survey will ask about health behaviors that keep young people healthy, as well as behaviors that result in unintentional and intentional injuries, tobacco use, and alcohol and other drug use. It will also ask about bullying, sexual risk behaviors (mostly for high school students), online risk behaviors, stress and anxiety, self-harm, dietary behavior and physical activity. It also focuses on positive things like strong connections to the school and to other people.

Students will be asked to fill out an anonymous, online questionnaire that takes about 25-35 minutes to complete. They will take the survey during regular class time.

Completing this anonymous survey will cause little or no risk to your child. The only potential risk is that some students might find certain questions to be sensitive. The survey has been designed to protect your child's privacy. Students will not put their names on the survey and it does not ask for student IDs or any other individual identifiers. The classroom setting will be set up like a test so that students' answers remain private. The school will only not have access to individual students' answers and no class or student will ever be mentioned by name in a report of the results. Your child will get no benefit right away from taking part in the survey. However, the results of this survey do help students by providing schools and the community with information that is used to improve health and safety programs. We would like all selected students to take part in the survey, **but the survey is voluntary**. No action will be taken against you, or your child, if your child does not take part. Students can skip any question that they do not wish to answer. In addition, students may stop participating in the survey at any point without penalty. If you have questions about the survey, you may ask your child's teacher or school counselor.

Please read the section below. **If you do not want your child to take part in the survey, check the box, sign and date the form and return the form to the school no later than Thursday, March 28.** Signing and returning this form will dismiss your child from taking the survey. **If you have no objection to your child taking part in the survey, you should do nothing with this form.** Thank you.

Child's name: _____ Grade: _____

I have read this form and know what the survey is about.

[] I do not want my child to participate in the Risk Behavior Survey
