

Teacher Welcome for 2017-2018

Teacher Name: Connie Kalnins
Room Number : 2044
Department: Marketing Education

Welcome to the Kimberly High School Marketing Department. I am Mrs. Kalnins and I have been a Marketing Education Teacher and DECA advisor since 1996. I came to Kimberly High School with a diverse background in both marketing and business.

I first attended Moraine Park Technical College where I worked on my Associate Degree in Marketing; I then attended UW-Stout where I earned a Bachelors Degree in Marketing Education with a minor in Business Administration and Fashion Merchandising. I completed my Masters Degree at Viterbo University in Post Secondary Education. I have also taken a variety of teacher enrichment courses through the University of Laverne.

I love the field of Marketing and have a passion for teaching it. I strive to bring my many work experiences into the classroom. Former students will tell you that I have many stories to tell! I have had the pleasure of being a DECA advisor, and traveling with Kimberly students to a variety of leadership conferences, competitions, and fun events.

As you can see, I enjoy learning and will strive to make my classes a place where you will enjoy learning too! I look forward to again working with the many Marketing students who will be part of our very exciting DECA Chapter.

Have a great year!

Please bring the following supplies for class:
