

Teacher Welcome for 2017-2018

Teacher Name: Andrew Sutton

Room Number: 0009

Department: Social Studies

Welcome to the KHS Social Studies Department. I'm Mr. Sutton and I am entering my 10th year of teaching at Kimberly High School. I graduated from UW-Stevens Point in December of 2006 with a BA in Broad Field Social Science.

In addition teaching at KHS also will be heading into my 11th year of coaching in the boys' soccer program. This fall will be my 8th year as the Varsity Assistant with the boys' team and I am excited about the future of soccer here at KHS. I go into every year excited to improve the soccer program and to work with young athletes to improve their skills as well as their work ethic. I believe sports serve as an excellent avenue to develop teamwork and leadership.

You'll also find that as much as I love soccer, I love my Michigan Wolverines football even more. I also enjoy working out, reading a good book, watching movies, spending time with my two children, Avery and Taylor, and playing with my dog, Bella.

I love teaching, learning, and Social Studies. My goal for you all is to make this an enjoyable, rewarding, and productive school year. I look forward to meeting you all and sharing my passion for learning and the Social Sciences.

Additionally, I am one of a number of teachers that will be increasing the use of technology in my classroom. In order to do so we are encouraging students to bring their own device (preferably a Chromebook or something similar) on a daily basis. I believe that the use of this technology will greatly enhance your learning and hopefully your organization throughout the year.

Have a great year!

Please bring the following supplies to class:

Pen or pencils

Notebook/loose leaf paper

This teacher will be participating in the BYOD program at the high school. KHS considers a BYOD a chrome book or a laptop computer.
