Mission Statement: Kimberly Softball Organization (KSO) is a volunteer, nonprofit organization designed around the goal of teaching and developing the necessary fastpitch softball skills in order to allow our players to compete at any level. All Kimberly Softball Organization (KSO) activities are conducted with the girl's best interest in mind. KSO is partnered with our local high school (Kimberly High School) and the coaching staff of the Varsity and Junior Varsity teams to prepare our girls to be the future of Papermaker Softball. In doing so we hope to keep the involvement of KSO players in the Kimberly area.
