

# Teacher Welcome for 2017-2018

**Teacher Name: Stacy Shrode**

**Room Number: 2034**

**Department: Mathematics**

Welcome to the wonderful world of Mathematics! I am Mrs. Shrode. I have been with the Kimberly Area School District since 1999 where I have taught Math since the 2000-2001 school year. Prior to employment at Kimberly High School I was a college administrator for several years. I live in Appleton with my husband and son. I grew up in Michigan and have a Bachelor of Arts degree from Kalamazoo College. I have also taken courses at Lawrence University and have certifications in Mathematics and Economics. I have a Master of Arts Degree in Education from Marycrest College in Iowa. I am a National Board Certified Teacher and have a Master Educator License. As a lifelong learner, I continue to pursue my educational interests.

Because it is important that students develop their leadership skills and learn outside the classroom, I have chosen to work with them in co-curricular settings. I have advised the KHS Math Team for several years. I am also the Sophomore Class Advisor.

I enjoy working with students and helping them master math concepts. I want students to enjoy learning and discover how we use math everyday. I look forward to seeing students continue to succeed in Math.

**Please bring the following supplies to class everyday:**

**Bring Your Own Device (BYOD) Classroom:** For Math 2, Math Seminar and Consumer Related Math, all students will be required to bring a laptop or Chromebook for educational use. Smartphones will not be acceptable as a device for classroom use, as many of our technology applications do not work on cellular devices.

**Supplies needed specific to courses:**

**Consumer Related Math:** 3-Ring Binder (used just for this class)  
Loose Leaf Paper  
Pencils and Erasers (no pens!)  
Laptop or Chromebook  
Simple calculator will be helpful

**Math 2:** Two graph paper notebooks for classwork and homework  
Pencils and erasers (no pens!)  
Laptop or Chromebook

**Math Seminar:** Class graph paper notebook or graph paper  
Pencils and erasers (no pens!)
