Teacher Welcome for 2017-2018

Teacher Name: Gina Van Berkel

Room Number: 1153 and 1172

Department: Family and Consumer Sciences

Hello my name is Gina Van Berkel and I teach Family and Consumer Sciences (FCS). I grew up and currently live in Little Chute. After high school I attended UW-Whitewater for 1 year and then transferred to UW- Stevens Point. In 2002 I graduated from Point and was hired at Kimberly and have been teaching here ever since. In the summer I like to travel and have visited many amazing places. I have a dog named Olive Oil and enjoy walking her as well as baking, gardening, reading, and spending time with family and friends. I look forward to the start of a new school year and working with you.

This school year, I will be teaching Foods 1, Foods 2, Multicultural Foods and Senior Foods. Each student will be required to bring their own device to class each day as Kimberly High School is a *Bring Your Own Device* school. The device could take the form of a laptop, Chromebook, or a tablet with a keyboard attachment

Please bring the following supplies for class:
A laptop, Chromebook, or a tablet with a keyboard
Pen or pencil
Folder
Notebook
Additional supplies for projects as needed
