

Teacher Welcome for 2017-2018

Teacher Name: Jayne Vosters

Room Number: 0016

Department: Social Studies

Hello Friends!! My name is Mrs. Jayne Vosters and 2016-2017 will be my fourteenth year teaching Social Studies at KHS. My husband, Troy, and I live in Freedom, where my husband is a 4th generation dairy farmer. We have a beautiful eight year old daughter named Abigail, our perky six year old daughter named Melanie, a handsome boy named Trevor who will be five in October, and Patrick, who turned 2 in August! Obviously, I love kids of all ages, from newborns to high schoolers!!!

I attended UW-Oshkosh and am dual certified in History and English. I also received a Masters Degree in Curriculum and Instruction from Marian College, and graduated with a Masters degree European History from American Public University. I LOVE to learn, and I have always loved going to school, and even though I'm an adult, I just can't seem to stay out of the classroom on a student level!!! I truly love history, teaching, interacting with my students, high heels, Bon Jovi, and all of this joy shows in the excitement found every day in my classroom. So bring your excitement, your energy, and your readiness to learn, because I can't wait to get started learning and teaching this year!

NOTE: My classroom is a BYOD classroom. Students will be required to have a personal device every day for class. Appropriate devices: Laptop or Chromebook preferred. Tablets are also acceptable, but not optimal.
