VOLUME 13 ISSUE 9

MARCH 27, 2020

Message From the Principal

Dear Mapleview Families,

I hope you are doing well as we finish our first week of virtual learning. I have received great feedback from students and families. Almost all students are engaged in the learning and connecting with their teachers.

If you have any questions please don't hesitate to reach out to your student's teacher or me. We are here to help.

Please see the [attached video](#) for more information from me and a special request for students.

Take Care Mapleview!

Sincerely,

Jason Nate
Principal

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

Counselor Corner with Mrs. Dietzler

Hi everyone! I hope you are doing well. As unusual of a time we are all experiencing, there are also a lot of things staying the same! School counseling is still being offered during this time. Students will have the opportunity to continue with guidance lessons, mindfulness groups, lunch groups, Academic and Career Planning (ACP) and one on one video meetings! I will also post some fun videos or materials that are totally optional. If you have concerns about your child, please know I am still available! The best way to get in contact with me is to send me an email (KDietzler@kimberly.k12.wi.us) and I will respond as soon as I can. I have also posted several links to Mapleview's website under "Family Resources." Please stay in touch!

The graphic features a word cloud background with phrases like "You are appreciated", "Your feelings matter", and "We care". Overlaid on this are three call-to-action boxes: a large central box with "HOPELINE™", a speech bubble box with "Text 'HOPELINE' to 741741", and another speech bubble box with "Help and Hope is Just a Text Away".

There are times when we *just want to be heard, to be listened to, to know that how we feel or what we are dealing with matters...without judgment.*

HOPELINE™, offered by Center for Suicide Awareness, is a text-in (versus voice call-in) free emotional support service providing hope, help, and support when it's needed most. HOPELINE™ serves anyone in any type of situation providing them access to free, 24/7 emotional support and information they need via the medium they already use and trust: text.

HOPELINE™'s purpose is to offer emotional support and resources before situations rise to crisis level. Texts received reflect struggles with breakups, relationship issues, job loss, bullying, LGBTQ issues, parental issues, school, friends, or any struggle a person is experiencing

Thank you for using and supporting HOPELINE™!

The truth is:

- You *do* deserve to be listened to and to be heard.
- What you feel or what you are dealing with *does matter...because you matter.*
- We all need hope, help, and support at points in our life free of negative stigma or judgment.

Text HOPELINE to 741741 — from anywhere, anytime, about any type of challenge or struggle. Help and hope is just a text away.

- A live, trained specialist receives the text and responds quickly.
- Each person that text in **is important to us** and **we care** about what they are dealing with.

ACCESSING KASD LIBRARIES DURING SCHOOL CLOSURES

All Kimberly Area School District libraries are closed to students, parents, and community members.

However, digital access to the KASD libraries is always available! Find us on the KASD website or at destinydiscover.com.

Print Materials

All due dates on KASD library materials are extended until two weeks after school is back in session. No library materials should be returned until students return to schools.

At this time, the district will not be handling print materials for check-out or check-in, simply due to the threat of viral contamination. We are hoping that this will be an option for the future, and we will continue to explore this possibility.

Research Access

KASD students have constant access to research resources using their school's digital library catalog. Badgerlink, Webpath Express, PebbleGo, Gale, and other databases are available for each school with links on their school's library catalog page. Some schools have e-books designated specifically for research purposes. These are available through that school's digital library catalog. Students should follow direction from their teacher regarding what research sources to use and at what level. Additional research assistance is available by contacting KASD library media specialist, Erin Wedemeier.

E-Books

Digital access to books will be a platform we will continue to grow throughout this process. For students in grades K-3, Tumblebooks provides digital books, audiobooks, and interactive activities. Access this platform by clicking the link on the school's library catalog page. Students in grades 4-12 have access to a curated collection of e-books. 4th-6th graders can access these from their school's library catalog. Students in grades 7-12 can access e-books from their library website or by going directly to wsdlcwi.libraryreserve.com

Importance of Reading

One of the best ways for students to keep up with their education during this unprecedented time is to keep reading. If your family is struggling to access reading materials, please contact a KASD staff member as soon as possible.
