SCHOLASTIC BOOK FAIR

NOVEMBER 8-15, 2022

Dear Parents and Families:

We're excited to invite you and your child to our upcoming Scholastic Book Fair. Hosted by our library staff, this event is an opportunity for families to build their home libraries and further their love of reading. As always, all purchases benefit our school.

Here's what you need to know about this year's fair:

- Students will preview the book fairs during scheduled library visits.
- Parents will be invited to shop the fair during our elementary conference nights, **November 10 and November 14 from 5:00-8:00 pm**. During these evening shopping times, we will accept the following forms of payment: cash, credit card, check, e-wallet.
- Since in-person shopping for parents is available this year, we ask that parents please shop during the set conference nights. However, if this is not possible for your family, elementary students will be permitted to shop the fair during open library times and with permission from the classroom teacher. Elementary students may purchase book fair items during the school day using e-wallets only. Please **DO NOT SEND CASH OR CHECK** to school with your child. These forms of payment will not be accepted from elementary students.
 - Please note: KASD staff is not responsible for what your child chooses to purchase with their e-wallet money. Please be sure to plan this with your child ahead of time. Also note Scholastic's policy regarding deposited e-wallet money that is not spent. No returns or refunds will be issued.
- To use your leftover eWallet balance from a previous school book fair, please access our school's homepage link below and click "Get Started" to create a new eWallet. After your eWallet is created, you will have a chance to select your leftover balance (listed as an eGift card) and click "Fund" to roll it over to our current fair. Feel free to add more funds to the eWallet and/or share to others using Scholastics Friends and Family share feature.
- Another option for shopping this year's fair is online at our school's Virtual Book Fair. All orders ship directly to your home, and shipping is free for book orders over \$25.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping:

The Leader in Sport Stacking®

Dear Parents,

I am really excited about the Sport Stacking unit we are currently doing in PE. Sport Stacking is an exciting sport where students stack and unstack 12-specially designed Speed Stack cups, including jumbo, regular and mini. Sport Stacking is a great activity that uses both sides of the body and brain, helping to develop important athletic and academic skills.

One of my goals, as a Physical Educator, is to promote activity at home through positive alternatives to computer, television and video game screen time. I believe that Sport Stacking is a unique, fun and simple activity that motivates kids to get up and move.

I do have Speed Stacks Sets and StackMats for students to purchase here at the school, with an added benefit of raising funds for our PE program. **Sales will run November 1st-November 30th.**

- Regular Sets are \$20.00. Pro Series Sets are \$25.00. StackMats (mat, timer and gear bag) are \$25.00. You pay no shipping, PLUS, the school will earn a percentage of your purchase in equipment for our PE program.
- Speed Stacks Sets and StackMats are available for immediate purchase. **First come, first serve on color and design choices.** I will have the equipment in the large gym for the students to purchase. If you would like to keep the purchase a secret, please email me and we can work something out.

I have a limited supply of colors and quantities. A student form may be going home with your child if they are interested. Please choose from the list on the form and encourage your child to have a second choice in mind. Return payment to the school (cash or checks, made payable to Westside.) Remember, it is first come, first serve!

Sincerely,

Mrs. Amy Phillips
