Throughout April students will be learning about how to be a problem solver! Here is the problem solving method, called STEP, I teach students:

- S: Say the problem without blame
- T: Think of solutions that are safe and respectful
- E: Explore positive and negative consequences
- P: Pick the best solution!

I also teach students lots of ways to problem solve. Here are some ideas:

- Walk Away
- Talk it Out
- Ignore It
- Ask them to Stop
- Compromise
- Ask a friend
- Ask an adult
- Take a Break
- Count to 10

I would love to get some parent feedback on my monthly newsletter and the Counseling Program here at Westside.

Please use the link below to fill out a brief survey. Thank you in advance for any information you have to share with me!

I look forward to reading your responses and using them to make my counseling program even better!

# WESTSIDE LIBRARY NEWS

## WESTSIDE LIBRARY MATERIALS FAQ

*If my child doesn't return a book, will he/she still be able to check out another book?*

YES! It is important to us that our students are able to borrow library books. However, we ask that a library book is returned whenever the student is done using it.

*I struggle with telling the difference between a Westside library book and our home library books.*

All of our books have a barcode on the back cover with the name of our school on it. This same barcode is also in the front pages of the book.

*If I can't find a Westside library book, what should I do?*

If it's only been missing for a few days or even a couple of weeks, just keep looking. However, if you are unable to locate it for over a month, contact the school library and let a library para know. If you were to happen to find a Westside library book at any time, including during the summer, we would really appreciate you returning it to any KASD school.

*Why do I get so many emails from my school library?*

Automated emails are sent weekly to students and their parent/guardians when they have overdue books. Books are loaned for 2 weeks at a time and can be renewed. If a book has not been returned after the 2 week loan period, an email is sent. Returning the missing books will stop the emails. If you respond to the email, you can address any questions or concerns you may have with Erin Wedemeier, our library media specialist.

## THIS MONTH, WE'VE BEEN...

## April is School Library Month!

Create a bookmark for your school library that can be given out to students during library visits. A panel of judges will decide which three bookmarks from each school are their favorites and those will be reprinted for all of our school's students to enjoy. A small prize will also be awarded to submissions that are chosen.

**Bookmark designs can be submitted to your school library by April 29, 2022.**

A large, empty rectangular box with a thin black border, intended for students to draw their bookmark designs. The box is oriented vertically and occupies the central portion of the page.

# OPTIONAL FAMILY READING CHALLENGE

No registration or paperwork needed. Just read!

## Shower Your Shelf with Books: An April Reading Challenge for Kids

- Celebrate National Siblings Day on April 10 by reading a book about siblings. Share the story with your own sibling if you have one!
- Go to page 30 of a children's poetry collection, and read the poem you find there.
- Laugh your way through a book of jokes. Memorize one of the jokes and tell it to a friend.
- Think of a skill or hobby you'd like to learn or get better at. Find a nonfiction book with information or how-tos.
- Read a book in a voice that sounds like your oldest or youngest relative.
- Check out a book with penguins to read on World Penguin Day, April 25. The flightless birds really soar on the pages of kids' books!
- Ask a Librarian: Wish your librarian at school a happy School Library Month. Then ask, "What's your favorite book that rhymes or your favorite poet?"
- Read a book aloud to a plant you want to see grow.
- Think of your favorite movies. Find out if any of them were books first and, if so, read the book! (Ask an adult for help with your research if needed.)
- Find your favorite reading spot in your home. If it's possible, design a sign to make it yours.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

# BUZZ IN KIMBERLY SCHOOLS KINDERGARTEN REGISTRATION

Is your child going to be 4 or 5 years old by September 1, 2022?

## IT'S TIME TO ENROLL YOUR NEWEST PAPERMAKER FOR 2022-2023!

Residents in the Kimberly Area School District can now register their newest Papermaker in Kindergarten.

### Registration is quick and easy...

1. Complete the required forms online at <http://www.kimberly.k12.wi.us/parents/registration>
  - If you do not have computer access, computers will be available at any of KASD's schools or the District office.
  - If you are unable to stop in during normal business hours, please contact the school secretary to set-up a time to stop in.
2. Birthdates are confirmed through the Wisconsin Immunization Registry. For non-immunized students or students registering from out of state an ORIGINAL birth certificate must be brought in at some point after you have registered online. The birth certificate can be brought to any of the schools listed on the right or KASD's District Office.

The Kimberly Area School District takes a nurturing approach to 4K and 5K development. It is expected, as with all grades, that students will be ready for the next grade level at the end of the school year.
