

June 1, 2022

Hello Westside Families –

**IMPORTANT DATES & REMINDERS:**

- THURSDAY, JUNE 2—Last Day of School & 4<sup>th</sup> Grade Celebration at 9:00AM

**REPORT CARDS** As we approach the end of the year, please be aware that the “Grades” tab in Infinite Campus will be closed to parents starting on May 16th and opening again on June 2nd after 4:00 pm. Closing the “Grades” tab allows teachers the opportunity to enter student grades and create the progress reports. On June 2nd you can access your child’s report card via Infinite Campus. Please note that when reviewing your student’s report card, teacher comments do not show up in the portal when looking at the main “Grades” screen. They do, however, if you access the “Reports” screen. From there, you can generate a report card in pdf format that will have all the comments. [If you need to set up your parent portal account in Infinite Campus, please click here.](#)

**IMPORTANT MESSAGE FROM OUR DISTRICT NURSES** Included with our notes is an important memo from our KASD nurses regarding medication pick-up. Please review the procedure if your child has medication at Westside.

**SCHOOL SUPPLY KITS** Once again our PTO has Partnered with **1<sup>st</sup> Day of School Supplies** to provide an option for ordering the school supplies needed for next year. [Please click here if you're interested in ordering.](#) Orders must be placed by June 15<sup>th</sup>.

**PICTURE DAY 2022-23** Westside Picture Day for the 2022-23 school year will be held on **Tuesday, August 9<sup>th</sup> from 12:00-6:00 PM.** Look for information in future communications for additional details. Please note that if you cannot make this date, school photos can be taken at any district school. One exception is for Kimberly High School students who must go to KHS. Westside will also have a picture retake day in September.

**WESTSIDE SUMMER OFFICE HOURS**

June 6-July 1 (Tues-Thurs).....	9:00-1:00
Office Closed: The week of July 4-8	
July 11-Aug 12 (Tues & Wed).....	8:00-1:00
August 15-31 (Mon-Thurs).....	8:00-2:00

Enjoy your summer and please give our office a call if you have any questions.

Thank you!

# WESTSIDE EAGLES UPDATE

**MAY-JUNE 2022**

6/2—4th Grade Celebration-  
**6/2-LAST Day of School**  
**Happy Summer!**

**Looking Ahead for 2022-23:**

Tuesday, August 9 - 12:00-6:00  
**SEPTEMBER 1— FIRST DAY OF SCHOOL**

## A Message from our Principal

Greetings from Westside Elementary!

I hope this letter finds you excited for summer break with many fun activities planned for your family! This year more than ever feels like two separate school years. We started off with a lot of tension and uncertainty, but luckily we are ending with a level of calm and certainty.

The most interesting part of our second semester was how strange going back to normal felt. We were able to combine classrooms, gather as a school and go on field trips! Moving into next year, we are looking forward to an increased parental presence at Westside. Whether you come on field trips, volunteer, or just come to eat lunch with your child, you are welcome at the Bestside!

Even with all of the crazy things going on in the background, students and staff got a lot of learning done! We continue to emphasize the importance of our students having ownership of their learning. From 5k on, students know that their choices matter and impact their learning and the learning of their peers. In most of our classrooms, our teachers act as facilitators of learning instead of a sage on the stage disseminating information. Watching our students learn from each other continues to be one of my favorite ways to spend my time at Westside.

For those families that are leaving us, you will be missed. At Westside relationships matter and it was a joy to get to know you and your child (ren)! Our 4th graders are all off to do amazing things in 5th grade and beyond and are always welcome back at Westside!

Happy Summer!

Re: Medication Pick-up - End of Year/Summer School

## **MEDICATION PICK UP**

For students whose parents have provided medications this school year, parents/guardians are reminded to pick up the medication from the school office by **June 2, 2022**. The medications will **not** be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by June 9, 2022 **will be disposed of**.

For students who are attending summer school **Band Camps, Sports (academy, camps, leagues, skill development), Swimming, Strength, Speed & Agility or any camps at JR Gerritts or Kimberly High School**, parents and students must plan ahead to have emergency medication available while the student is in one of these activities held away from Woodland. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

## **MEDICATIONS TO WOODLAND FOR SUMMER SCHOOL**

For students who also receive prescription or over the counter medications this school year and have enrolled in **summer school with classes held at Woodland**, your child's medications will be sent to Woodland School. Parents/guardians are reminded to pick up the medication from the school office by the end of Summer School. The medications will not be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by the end of Summer School **will be disposed of**.

If you have any questions, please feel free to call. Thank you for your cooperation.

# NWEA® MAP®

## Measures of Academic Progress

### Information Sheet

Near the end of the school year, parents will receive their student's MAP results. Those results will be mailed with a cover letter that provides some information about the MAP test and how to interpret the results sheet. This Information Sheet is designed to provide additional information about MAP testing and its uses.

#### Questions and Answers

**What is NWEA MAP?**

NWEA is the Northwest Evaluation Association, a not-for-profit organization committed to helping school districts across the nation improve student achievement.

MAP (Measures of Academic Progress) is one of the assessments NWEA offers to districts to improve student achievement.

**What does a MAP assessment look like?**

A MAP assessment is a computer delivered adaptive test. As the student responds to questions the computer builds a test for that student based on correct or incorrect responses to previous questions.

**What do MAP assessments measure?**

MAP assessments are aligned to Wisconsin State Standards and are designed to measure student knowledge and skills in the content areas of reading, language arts, and mathematics.

**How is a MAP test scored?**

The test results identify your child's academic achievement in *RIT* scores. This is a different type of score than a typical test which usually reports a percentage correct. The *RIT* score is a continuous scale, independent of grade level. As a result, your child's academic growth from fall to spring, and from one school year to the next can be easily measured, similar to how a student's height can be measured with a ruler.

**Who takes the MAP assessment?**

Students in grades 5 thru 8 take the MAP assessment in the areas of reading, mathematics, and sometimes language arts.

**What is the difference between MAP and the Forward (state test)?**

The results of the state's annual test (Forward) indicate whether a student is performing at grade level. The MAP test identifies a student's instructional level. Because MAP is given in both the fall and spring, a student's growth during the school year can also be measured.

**How are the results of MAP testing used?**

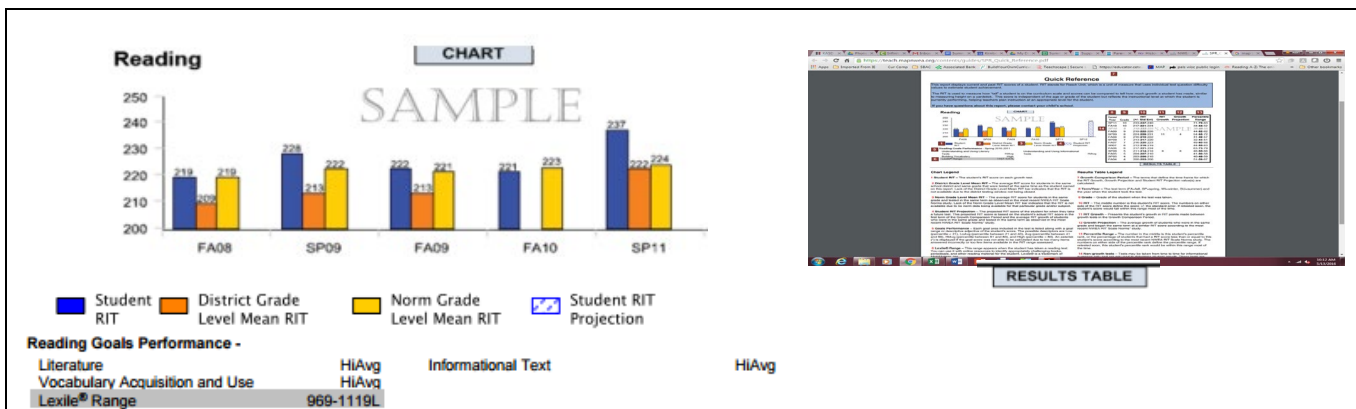

The MAP assessment, combined with other student performance results, provides the teaching staff with valuable information to inform instruction. Because of the nature of the scoring system used by MAP, a student's progress or growth can be tracked during the school year and from school year to school year. MAP results can also be used to set and monitor school improvement goals.

**When are students assessed and how often?**

MAP allows for testing a child up to four times a year in each content area. In the Kimberly Area School District, students are tested in reading and math once in the Fall (September/ October) and once in the Spring (April/May).

Some testing is also done at mid-year (January/February) when teachers want to check on the progress students are making.

#### What does the MAP report look like?

## Understanding the Report

**Term/Year** - The test term (FA=Fall, SP=Spring, WI=Winter) and the year when the student took the test.

**Grade** - The student's grade in school at the time of testing.

**RIT** - The blue bar in the chart and the middle number in the results table show this student's RIT score. The numbers on either side of the RIT score in the table define the score +/- the standard error. If retested soon, the student's score would fall within this range most of the time.

**District Grade Level Mean RIT** - The average RIT score for students in the Kimberly school district at this grade level who were tested at the same time.

**Norm Grade Level Mean RIT** - The average RIT score for students in this grade level who were tested at the same time from a national sample.

**RIT Growth** - Presents the student's growth in RIT points made between Fall and Spring testing.

**Growth Projection** - The average growth of students who were in the same grade and began the same term at a similar RIT score according to the most recent NWEA statistical study.

**Percentile Range** - The number in the middle is this student's percentile rank, or the percentage of students that had a RIT score less than or equal to this student's score according to the most recent NWEA statistical study. The numbers on either side of the percentile rank define the percentile range. If retested soon, this student's percentile rank would be within this range most of the time.

**Goals Performance** - For each subject area, Goals Performance information is presented below the bar graphs. Goals Performance describes how well the student did in different areas of that subject on the most recent test.

**Lexile Range** - Lexile is a reading measure. The Lexile range can be used to help students find books that match their reading level.

# BUZZ IN KIMBERLY SCHOOLS KINDERGARTEN REGISTRATION

Is your child going to be 4 or 5 years old by September 1, 2022?

## IT'S TIME TO ENROLL YOUR NEWEST PAPERMAKER FOR 2022-2023!

Residents in the Kimberly Area School District can now register their newest Papermaker in Kindergarten.

### Registration is quick and easy...

1. Complete the required forms online at <http://www.kimberly.k12.wi.us/parents/registration>
  - If you do not have computer access, computers will be available at any of KASD's schools or the District office.
  - If you are unable to stop in during normal business hours, please contact the school secretary to set-up a time to stop in.
2. Birthdates are confirmed through the Wisconsin Immunization Registry. For non-immunized students or students registering from out of state an ORIGINAL birth certificate must be brought in at some point after you have registered online. The birth certificate can be brought to any of the schools listed on the right or KASD's District Office.

The Kimberly Area School District takes a nurturing approach to 4K and 5K development. It is expected, as with all grades, that students will be ready for the next grade level at the end of the school year.

*\*Up-to-date: A person is considered up-to-date after completing their COVID primary vaccination series.*

# INFORMATION FOR PARENTS

## IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

*Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.*

### Your eligible children have the right to:

- Receive a free, appropriate public education.
  - Enroll in school immediately, even if lacking documents normally required for enrollment.
  - Enroll in school and attend classes while the school gathers needed documents.
  - Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
- \* If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
  - Receive educational services comparable to those provided to other students, according to your children's needs.

*If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.*

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

**Report it, don't just repeat it.**
