April is National Child Abuse Prevention month and National Sexual Assault Awareness month. Communities and families play a vital role in preventing child abuse, neglect, and promoting healthy children. Fox Valley Metro PD and I would like to offer our support if your family has been affected by child physical/sexual abuse or neglect. Also, there are resources available in our community that offer support.

If you are looking for internet resources on how to prevent child abuse and/or neglect, one good government resource is www.childwelfare.gov. If you are looking for ways to speak with your child about sexual abuse, one good document can be found here: <https://goo.gl/UvuEB2>

As always, if this topic is of interest/concern to you for any reason, feel free to contact me at the email below to use me as a resource as well.
