

November 20, 2019

Hello Westside Families ~

Please see the attached flyers and watch for our **December Newsletter** coming next Wednesday, November 27th.

LOOKING AHEAD to next week and beyond:

NO SCHOOL – NEXT Thursday and Friday, November 28 & 29

Parent-Teacher Conferences – Monday & Tuesday, December 2 & 3 -- 2:00 Dismissal – *Please note: ALL students will be released at 2:00 pm on conference days. Unlike other 2:00 pm release days, childcare is not available unless your child is enrolled in the YMCA after school program. There is NO SUPERVISION (NO MOVIE) provided by Westside Staff on these 2 days.*

The latest edition of **School Matters**, our KASD newsletter, can be found by clicking here.

COMMUNITY EVENTS:

Free Movie Night: December 6, Holy Spirit Parish Youth Ministry Room (Upstairs in 4K building)

Step-by-Step Canvas Painting: December 27, Village of Kimberly Municipal Complex

How to Create a Rock Mandala: December 31, Village of Kimberly Municipal Complex

Please click here to view **The Quarter Note**, the Kimberly Band Boosters Newsletter.

As always, please let us know if you have any questions. Have a great week!

Thank you,

Anne Appleton

Dear Westside Families ~

School Report Cards Released

As part of its assessment and accountability system, the Wisconsin Department of Public Instruction creates a School Report Card for every publicly funded school in the state. The Report Cards are intended to help all schools and districts utilize data related to student achievement to monitor their performance and target their improvement efforts. On its Report Card, a school receives a score on a scale of 0 to 100 and one of five ratings based on that score. The ratings range from *Fails to Meet Expectations* to *Significantly Exceeds Expectations*. The school's score and rating are primarily based on the school's performance on statewide assessments in the 2018-19 school year.

Westside's Report Card score was 86.7 and this gave the school a rating of *Significantly Exceeds Expectations*. You can access Westside's Report Card along with those for all of the district's schools and a District Report Card on the DPI's website:

<http://dpi.wi.gov/accountability/report-cards>

Report Card scores as well as other district performance reports can also be accessed from the Kimberly Area School District's website:

<http://www.kimberly.k12.wi.us/departments/about/performance-reports>

On the actual Report Card, parents can review the specific student performance information that is used to calculate the school's overall score. Keep in mind that these Report Cards are just one source of information about our school. Our staff will use the data from our Report Card as part of our continuous improvement efforts during the current school year. If you have questions about the Report Card feel free to contact me.

Sincerely,

Jonathan Peterson

Principal

Re: Public Nature of School Events

Dear District Families:

The Kimberly Area School District strives to offer a broad array of opportunities for student enrichment. As part of this effort, students have the opportunity to engage in many activities, through both the District's regular curriculum and co-curricular offerings, which allow students to share their talents with the broader school community. Examples include concerts, theatrical performances, academic and athletic competitions, and many similar events. These events, often held on District property during or after regular school hours, are generally open to family, friends, and members of the public.

While the District takes measures to ensure the safety of its events, it does not typically regulate who may attend. Nor does the District regulate the use of photography or video/audio recording at such events. As a result, it is possible that members of the public, including media, will take photographs or recordings of those attending the events. Such photography and recordings are generally for the purposes of celebrating and/or reporting on the events. However, the District recognizes that there may be occasions when this type of attention is unwanted by some families based on safety concerns particular to their family situation, or for other reasons.

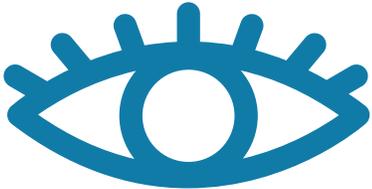

If, for any reason, you or your student have concerns regarding participation in District events because of the event's public nature, please contact your school's administration to discuss whether your student may need to opt out of participation in the event, or if there are other measures that can be taken to address your concerns.

Sincerely,

Jonathan Peterson

Principal

IF YOU SEE SOMETHING

SAY SOMETHING

IF YOU
See something
Read something
Hear something
Know something
Then you should
SAY SOMETHING

TELL YOUR
Parent
Teacher
Principal
School Counselor
School Secretary

*Or Call 911 for
Emergencies*

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

Report it, don't just repeat it.

When to Keep Your Child Home

Children should be kept home from school when they don't feel well. It is important to get the rest they need to recover, and to prevent the spread of germs to other children and the staff. If you are unsure of when to keep your child home, please contact the school nurse or your family medical provider.

The following symptoms may suggest a communicable disease. Children who have the following symptoms should be kept home from school until a doctor has seen them, they no longer have symptoms indicating a communicable disease or they have received treatment for at least 24 hours for certain diseases.

FEVER

An oral temperature of 100.4 or higher indicates a fever. If your child has a temp of 100.4 or higher at school he/she will be sent home. Your child will be excluded from school until they are fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product).

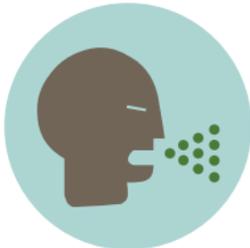

SORE THROAT

If a fever is accompanied by a sore throat, stomach ache or head ache it may be strep throat. Strep throat is diagnosed by a throat culture obtained at a medical clinic. If your child is diagnosed with strep throat, your child will be excluded from school for 24 hours after initiation of appropriate antibiotic and fever free without the use of a fever reducer (Tylenol or Ibuprofen product).

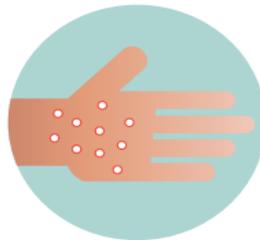

VOMITING/DIARRHEA

If your child has an episode of vomiting and/or diarrhea at school, he/she will be sent home. Anyone with these symptoms will be excluded from school until symptom free for 24 hours.

COUGH

A cough may be a sign of many different illnesses. If a cough is accompanied by a fever, sore throat, body aches or any other symptoms you should keep your child home. Any cough that lasts for more than several days should be discussed with a doctor.

SKIN LESIONS/SORES

Rashes and infected sores needed to be diagnosed by a medical provider. Many skin rashes such as impetigo, scabies, chicken pox, Fifth disease or Hand Foot and Mouth disease are very contagious. Students may return to school once the rash has been diagnosed and treated for 24 hours or cleared by a doctor. Open sores from illnesses such as chicken pox and impetigo may need to be covered at school with bandages for several days.

OTHER

Symptoms that prevent the student from active participation in usual school activities OR student is requiring more care than school that can safely provide.
