A Message from our Principal

Greetings Westside Families,

I can't believe we are already heading into October. We may only be in our 4th week of school, but at Westside we are in full swing! Your child's teacher has already put a lot of work in to help personalize your child's education. Each grade meets in the summer for staff development around getting to know your child before they even enter the classroom.

Teachers look at reading, writing, and math data to get a picture of your child so they can help move them forward as soon as the year starts. Once the year begins teachers work the 1st week or two setting up routines, seeing how your child grew academically over the summer and building the foundation of a positive classroom culture (this is worked on all year as well).

This week, your child's teacher has put all those details together and is working to make sure they are delivering whole group, small group, and one on one lessons for each student in their room to help them grow as a reader, writer, mathematician and overall problem solver. That work will continue all year. Teachers will observe, assess and teach your child to the best of their ability. If they get stuck they collaborate with colleagues in hopes of finding the right prompt, or guidance to make sure your child grows. We care about all of our students at Westside and want the best for each of them!

With that in mind, please feel free to reach out to your child's teacher when you have questions. We value a strong home-school connection!

Warm regards,

Jonathan Peterson

SCHOOL HOURS

The first bell rings at 8:30. Students line up outside unless it's raining or below zero (if it's raining or below zero, students come into the building & go to the gym until the bell rings) The second bell rings at 8:35 and at that time students are expected to be in their classrooms and ready to go! In the afternoon, school is dismissed at 3:35.

Although we all run late once in a while, we don't want tardiness to become a habit. Please make every effort to have your child on time for school. At the end of the day it is also important that parents pick up students on time. Children often become upset and worried when their parents are not where they are expected to be. Also, if your child typically attends one of the daycares, and your plans are changing for a given day, please make sure to let the daycare know so they are not expecting to pick up your child. It is also helpful if you let us know as well.

If you are going to be unavoidably late, either before or after school, please call the office at 739-3578. Thank you!

FEES

If you have not already done so, please pay your child's school fees at your earliest convenience. If paying fees is a hardship for your family, please contact the office. Payments can be made through Infinite Campus OR in the School Office—please make checks payable to KASD—thank you!

General Fees: 5K—$20.00 Grades 1-4 - $30.00
5K Milk Fee: $40.00 (for the whole year)
Headphones: $5.00 (for new students only)
OPTIONAL-Yearbook: $11.00

BACKGROUND CHECK REQUIREMENTS

Just a reminder: Effective March 1, 2009, volunteers are required to complete a background check. Volunteers include fieldtrip chaperones and those who assist students in a one-on-one capacity. If you will be volunteering on a a field trip or in a one-on-one capacity, we ask you to complete a background check form. Forms can be obtained in the office or on our website. Thank you for your cooperation and for considering the Kimberly Area School District as a place to donate your time and talent.

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

GOOD NEWS FROM SCHOOL

October is Alcohol and Drug Awareness month. During Life Skills classes students will review refusal skills as they relate to alcohol, drugs and tobacco. Each activity will be age appropriate. Westside School has several additional activities planned during the month to promote Alcohol and Drug Awareness. Here is a list of dates and activities planned at Westside School.

October 7-11	**Tremendous Trivia Week** Students, along with their class and teacher, will have the opportunity to answer AODA trivia questions.
October 17	**Sidewalk Chalk Drawings** Students are asked to design sidewalk chalk drawings using Anti-drug, alcohol and tobacco ideas.
October 23	**Wear Red Wisconsin Day** Students and staff are asked to wear red to school to celebrate being drug free. Red symbolizes America's fight against Drug and Alcohol abuse.
October 29	**Smarties Choose To Be Drug Free** Students are given a card which lists 25 things to do instead of using drugs. Also included are 3 rolls of Smarties.

For further information please call Mrs. Courtney - Counselor
Westside School - 739-3578.

GOOD NEWS FROM SCHOOL

Dear Westside Families,

Wednesday, October 2nd is "International Walk to School Day"! This is a global event that involves thousands of schools in more than 40 countries. **Children and their families** are encouraged to participate in this fun-filled event at Westside.

Here are the details:

- Children may walk their normal route to school and then meet on the upper playground behind the school to celebrate!

- If your child lives too far to walk to school please meet the "Westside Eagle", Mr. Peterson, and Officer Stahmann at Fox Valley Christian Fellowship at 1200 W Kimberly Ave at 8:00 am. They will be leaving the parking lot at 8:00 SHARP!

    - Each student that walks to school with be given a ticket for prize drawings donated by East Central Wisconsin Regional Planning Commission!

    - A healthy snack will be served for students and their families by the Westside Student Council from 8:10-8:30.

PLEASE return the slip below if your child/family will be participating in the walk to school event. All slips are due in by September 27th.

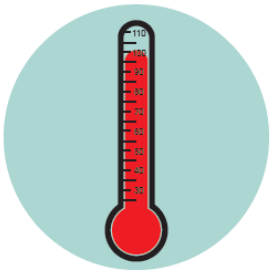
When to Keep Your Child Home

Children should be kept home from school when they don't feel well. It is important to get the rest they need to recover, and to prevent the spread of germs to other children and the staff. If you are unsure of when to keep your child home, please contact the school nurse or your family medical provider.

The following symptoms may suggest a communicable disease. Children who have the following symptoms should be kept home from school until a doctor has seen them, they no longer have symptoms indicating a communicable disease or they have received treatment for at least 24 hours for certain diseases.



FEVER

An oral temperature of 100.4 or higher indicates a fever. If your child has a temp of 100.4 or higher at school he/she will be sent home. Your child will be excluded from school until they are fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product).

SORE THROAT

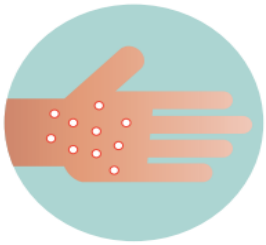
If a fever is accompanied by a sore throat, stomach ache or head ache it may be strep throat. Strep throat is diagnosed by a throat culture obtained at a medical clinic. If your child is diagnosed with strep throat, your child will be excluded from school for 24 hours after initiation of appropriate antibiotic and fever free without the use of a fever reducer (Tylenol or Ibuprofen product).

VOMITING/DIARRHEA

If your child has an episode of vomiting and/or diarrhea at school, he/she will be sent home. Anyone with these symptoms will be excluded from school until symptom free for 24 hours.

COUGH

A cough may be a sign of many different illnesses. If a cough is accompanied by a fever, sore throat, body aches or any other symptoms you should keep your child home. Any cough that lasts for more than several days should be discussed with a doctor.



SKIN LESIONS/SORES

Rashes and infected sores needed to be diagnosed by a medical provider. Many skin rashes such as impetigo, scabies, chicken pox, Fifth disease or Hand Foot and Mouth disease are very contagious. Students may return to school once the rash has been diagnosed and treated for 24 hours or cleared by a doctor. Open sores from illnesses such as chicken pox and impetigo may need to be covered at school with bandages for several days.

OTHER

Symptoms that prevent the student from active participation is usual school activities OR student is requiring more care than school that can safely provide.
