RED RIBBON WEEK

OCTOBER 24-26

Did you know? Children of parents who talk to their children regularly about drugs are 42% less likely to use drugs than those who don't? Only a quarter of teenagers report having these conversations about being drug free.

Red Ribbon Week (celebrated in school 10/24-10/26) is the oldest and largest drug prevention campaign in the nation and is your opportunity to get the ongoing conversation started.

This year's theme is Celebrate Life. Live Drug Free™. Visit www.redribbon.org/activities/parents to learn more about Red Ribbon Week and get tips for talking to your kids about drugs. The life you save may be that of your own child or a dear friend.

HOW WILL WE CELEBRATE AT WESTSIDE?

Dress up days during the short week

Monday 10/24: Dream of a Drug-Free World and wear your pajamas to school

Tuesday 10/25: Team Up Against Drugs by wearing their favorite sports team colors/apparel

Wednesday 10/26: Red Ribbon Day - wear red and ribbons

Coloring Page Raffle

Your student(s) will be given a Red Ribbon Week coloring page in their classrooms on Friday 10/21. Talk with them at home about being drug free and have them color their pictures. Then, sign the coloring page and have them put their name on it. They can turn it in at school Monday-Wednesday to be entered into a drawing to win a prize! We will have 5 winners announced Wednesday afternoon.

Re: Public Nature of School Events

Dear District Families:

The Kimberly Area School District strives to offer a broad array of opportunities for student enrichment. As part of this effort, students have the opportunity to engage in many activities, through both the District's regular curriculum and co-curricular offerings, which allow students to share their talents with the broader school community.

Examples include concerts, theatrical performances, academic and athletic competitions, and many similar events. These events, often held on District property during or after regular school hours, are generally open to family, friends, and members of the public.

While the District takes measures to ensure the safety of its events, it does not typically regulate who may attend. Nor does the District regulate the use of photography or video/audio recording at such events. As a result, it is possible that members of the public, including media, will take photographs or recordings of those attending the events. Such photography and recordings are generally for the purposes of celebrating and/or reporting on the events. However, the District recognizes that there may be occasions when this type of attention is unwanted by some families based on safety concerns particular to their family situation, or for other reasons.

If, for any reason, you or your student have concerns regarding participation in District events because of the event's public nature, please contact me to discuss whether your student may need to opt out of participation in the event, or if there are other measures that can be taken to address your concerns.

Sincerely,

Jonathan Peterson

Westside Principal

COVID-19 STRATEGIES FOR EVERYDAY OPERATIONS

Kimberly Area School District is taking a variety of actions every day to prevent the spread of infectious diseases, including the virus that causes COVID-19. From the start of the pandemic new tools have become available to limit the effect of COVID-19 on communities and healthcare systems. As a result the CDC and Wisconsin Department of Public Health Services have shifted their COVID response.

KASD is adopting the COVID Strategies listed below, which are supported by our local public health department. These strategies may be revised depending on updated information and guidance from the CDC and Wisconsin Department of Public Health Service.

STRATEGIES

Ill or have COVID-like symptoms

- Stay home, for more details see [When to Keep Your Child Home](#)
 - Return to school after 24 hours fever-free without fever reducing medications
-

Positive for COVID

- Stay home from school for 5 days after symptoms begin, AND
 - Return to school after 24 hours fever-free without fever reducing medications
-

General Mitigation

- Increased air ventilation;
 - Standard surface cleaning;
 - Handwashing; and
 - Respiratory etiquette
-

Masking

- Optional, Students/Staff may mask at any time
-
