## Free & Reduced-Price Meal Applications – 2022-23 School Year

School meals continue to be some of the healthiest meal options for students and are an important part of the learning day. Our goal is to continue to support all students and families by ensuring those who need free or reduced priced meals at school continue to receive them. It is critical that all families complete a short, confidential application and turn it in to ensure there are no gaps in meal benefits.

- For families with multiple students in the district, only one household application is needed, and benefits will apply for the entire school year.
- Should your household financial circumstances change at any time, applications can also be submitted throughout the year.
- For families receiving other benefits, such as SNAP or TANF, you may receive notification that your student(s) is/are automatically eligible for free meals and need not submit an application.

If you have questions or need more information, please visit the district's website: [kimberly.k12.wi.us](http://kimberly.k12.wi.us) or contact Miranda Prisland, Director of Dining Services, at 920-687-3024 option 5 or [mprisland@kimberly.k12.wi.us](mailto:mprisland@kimberly.k12.wi.us).

## A Reason to Celebrate!

### September 20: National Pepperoni Day

National Pepperoni Pizza Day on September 20<sup>th</sup> gives us a reason to enjoy a hot slice pizza topped with America's favorite pizza topping!

## FARE Check Certification 2022

We are committed to the safety of all our guests! All Kimberly Area School District Foodservice associates have completed a FARECheck certified allergen training program. FARECheck is a program that reviews and certifies food allergy training materials. This program was developed by Food Allergy Research & Education (FARE) and is offered through Chartwells K12.

We are proud to safely serve all students!
