

TEENS WITH YOUTH SPORTS DAY AT KHS INDOOR FACILITY

Attention Elementary School Parents,

We have a great opportunity for your children to build connections with the high schoolers in the Kimberly community! On May 11th, the indoor training facility at Kimberly High School will be hosting a Teens with Youth Sports Day. This is a day where students will play games, and build connections throughout the community. Children will choose two of the four sports offered (tee-ball, soccer, football, volleyball), and they will be led through various games, drills, and activities by high schoolers who play those sports at KHS! This day will also include a group game of kickball, as well as a snack for all attendees. This event is free and open to any first through fourth grader in the Kimberly community who fills out the forms below. If your child is interested in attending, please fill out the corresponding form before May 1st. The forms will close after receiving 60 responses, so it is first come first serve.
