The Kimberly Area School District is dedicated to providing the safest environment for our students and staff. During the 2018-19 school year, schools will be implementing a new secure access system, commonly known as a “buzz-in entry”.

HERE’S HOW IT WORKS:

- All visitors (including family members, volunteers, and vendors are required to follow the buzz-in procedure during the school day.)
- When you arrive, press the button on the intercom. Guests may be asked to present a government issued ID to the security camera.
- A staff member may ask you some clarifying questions before granting access to the building.
- Once inside, continue to sign in at the office and wear a visitor badge while in the school.
- Anyone unfamiliar with the buzz-in procedure can refer to instructions posted at the main entrance of the school.
- We realize this system will require a change in practice from staff, families, and visitors.
- Thank you for your support as we work to create the safest learning environment possible.

By learning through dialogue and play in 4K, our students start here and excel here.

Now accepting 4K and new 5K registrations for next school year!

Our highly qualified teachers are early childhood experts whose goal is to engage our youngest students through dialogue and play-based learning.

At the 4K Center for Literacy, students build a strong foundation to continue their studies in Kimberly.

Wrap around care options are also available.

We are accepting new kindergarten registrations and open enrollment applications for next school year.

Help us spread the word to families you know!

**Kimberly Area
School District**

Is your Minimaker ready to start here and excel here?

Full-service 4K Center • Full-day 5K in Elementary Schools

Open enrollment applications accepted until April 30, 2019

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

February is National Children's Dental Health Month!

Did you know that dental cavities are the leading cause of tooth loss in children? Routine preventative dental care provides services that work to prevent decay and offers the education necessary for instilling life-long healthy dental habits.

- Oral Screenings
- Cleanings
- Fluoride Varnish Applications
- Dental Sealants (Prevents Cavities)
- Dental Health Education
- Referral Assistance

Kimberly School District cares about keeping your smile healthy! Bridging Brighter Smiles provides these valuable preventative services in the comfort of our school, during school hours. This program is open to all students in grades 4K-12.

*Brush and clean in
between to build a
healthy smile!*
