

WOODLAND ELEMENTARY
SCHOOL
WEEKLY NOTES
November 4, 2020

- There is a spirit day tomorrow at Woodland. Wear your green and gold or favorite jersey.
- Parent/teacher conferences are coming up and will be held virtually on Thursday, November 12th and Monday, November 16th from 5:00 pm until 8:00 pm. **If you have not already scheduled your child's conference, please click [here](#) to access the online conference scheduler.**

Please also note: Students will be released at 2:00 pm on conference days. Unlike other Friday 2:00 pm release days, childcare is not available unless your child is enrolled in the YMCA after school program.

- The next Woodland PTO meeting will be held virtually on Tuesday, November 17th at 6:30 pm via [Google Meet](#). All parents are welcome to join in the meeting!
- Friday, November 20th is a 12:00 pm release for all elementary students.
- Wednesday, November 25th is a spirit day at Woodland and the theme is wear your flannel.
- There will be no school on Thursday, November 26th and Friday, November 27th. Happy Thanksgiving!
- Please click [here](#) to access the PTO online store for Woodland/Kimberly wear.
- Woodland School is looking for a noon hour lunch supervisor. Please contact Peggy Mueller at 920-730-0924, option 2 or pmueller@kimberly.k12.wi.us for details if you are interested. Thanks!

We Need You

We want our schools to remain open. To do that, we need your support. How can you help?

- ✓ Keep your child home if they are ill.
- ✓ Keep your child home if they have been tested for COVID until results are known.
- ✓ AVOID LARGE GATHERINGS.

Fun Run Wrap-Up

The 8th Annual Woodland School Fun Run is complete and considered a success with this year's circumstances. With the support of our families, we raised \$6700 in pledges. This money will be used to purchase indoor and outdoor recess games and equipment. Thank you for your support!

Winners of the photo contest are: Craziest Hair-Brinley P., Craziest Outfit-Marin S. and Craziest Place to Run-Liam J. Thanks for participating!

There were also class winners. Thanks to our teachers and staff for encouraging students to participate!

WHEN TO STAY HOME FROM SCHOOL

Keep your child home when:

- ✓ They are sick (please see [student illness guide](#) and when to get tested)
- ✓ They are diagnosed with COVID-19
- ✓ They are being tested for COVID-19
- ✓ They are a [close contact](#) of someone with COVID-19

Frequently Asked Questions:

Do I keep my child home if someone in my household is being tested for COVID-19?

A: Send your child to school if your child is symptom free.

OR

A: Keep your child home if your child has COVID-like symptoms.

Do I keep my child home from school if someone in my household is a close contact of a confirmed case of COVID-19?

A: Send your child to school if the household member who is the close contact is symptom free.

OR

A: Keep your child home if the household member who is the close contact has COVID-like symptoms. (The household member who is the close contact is considered a probable case of COVID if he/she is showing symptoms while awaiting test results and everyone in your household at that point is considered a close contact and will need to quarantine.)

STUDENT ILLNESS GUIDE AND WHEN TO GET TESTED

People with the below symptoms or combination of symptoms may have COVID-19. The table below outlines WI-DHS recommendations of who should receive COVID-19 testing in Wisconsin. If you have these symptoms, **stay home, call your school office and get tested.**

Box A (any one symptom present)

- Cough (above baseline) Shortness of breath or difficulty breathing New loss of taste or smell

OR

Box B (any two symptoms present)

- Congestion or runny nose (above baseline) Chills or fever (100.4) Nausea or vomiting
 Diarrhea Fatigue Muscle or body aches Sore throat (above baseline)

**If you choose not to get tested, you must remain home until at least 10 days have passed since symptom onset AND at least 24 hours have passed since resolution of fever without use of medicine AND other symptoms have improved.*

OR

Box C

- I am a close contact of someone with COVID-19

WI-DHS recommends getting tested if you are a close contact. If you test negative during your quarantine period, you will still need to complete your full 14-day quarantine before it is safe to go back to school or be around others

For all other illnesses, follow typical school illness protocol by staying home, calling the school office and once symptoms have improved and your child is fever free for 24 hours they may return.

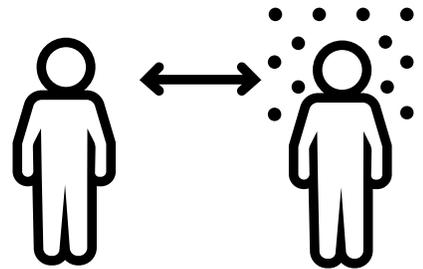

For information on awaiting test results and quarantining please go to, www.kimberly.k12.wi.us/updates/covid-19-protocols.

CLOSE CONTACT GUIDE

What does it mean to be a close contact of someone with COVID-19?

You are a “close contact” if any of the following situations happened while you spent time with the person with COVID-19, even if they didn't have symptoms:

- ✓ Had direct physical contact with the person (for example, a hug, kiss, or handshake)
- ✓ Were within 6 feet of the person for more than 15 minutes
- ✓ Had contact with the person's respiratory secretions (for example, coughed or sneezed on; contact with dirty tissue; shared a drinking glass, food, towels, or other personal items)
- ✓ Live with the person or stayed overnight for at least one night in a household with the person

EXAMPLE

Your child was playing outside with a neighborhood friend when he drank from the friend's water bottle without thinking. The following day, the friend developed symptoms and subsequently tested positive for COVID-19. **Your child is a close contact.**

EXAMPLE

I went out to eat with a friend yesterday and we were within 6 feet of each other for 30 minutes. The following day my friend tested positive for COVID-19. I am now a close contact. What about my child? **Your child is NOT a close contact** as your child did not spend time with your friend.

If you had contact with someone who has been diagnosed with COVID-19 you may be at risk of infection. Follow these recommendations for 14 days since your last close contact with someone with COVID-19. It is important to **self-quarantine and self-monitor** to protect yourself, your family, and your community.

As a close contact, what does it mean to quarantine?

- Stay home
- Avoid travel
- Go out only if absolutely necessary
- Postpone all non-essential medical appointments until your quarantine is over
- Do not use public transportation, ride-sharing, or taxis
- Wear a face cover when you are around others

**Is your daughter interested in playing 8U tournament softball in 2021?
If so, registration is open!!**

Cardinal Youth Softball (CYS) is the travel softball program for girls in the Kimberly School District. If your daughter was born in 2012 or 2013, she is eligible to register for the 8U age group.

Quick data on the 8U program:

- Team practices typically begin in March
- If numbers warrant, the athletes will be split into two teams of even talent
- 8U teams play in 4-5 tournaments during the summer; generally, no more than 40 minutes away
- Tournament-style team; not high-intensity
- Games are mostly machine-pitch, some are girl pitch
- Program is suitable for newer softball athletes

Please visit our website (www.cardinalyouthsoftball.net) for more information about the club.

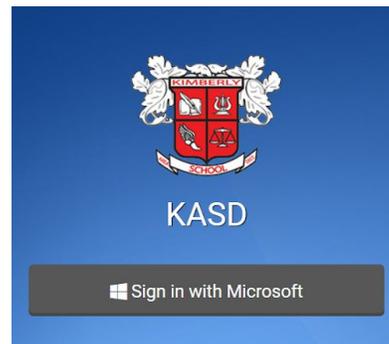

If you are ready to register, you may do so at the 2021 Season Registration link [HERE](#).

If you have any questions, please contact the Board of Directors at cardinalyouthsoftball@gmail.com.

Mission Statement: Cardinal Youth Softball is a volunteer, nonprofit organization designed around the goal of teaching and developing the necessary fastpitch softball skills in order to allow our players to compete at any level. All Cardinal Youth Softball (CYS) activities are conducted with the girl's best interest in mind. CYS is partnered with our local high school (Kimberly High School) and the coaching staff of the Varsity and Junior Varsity teams to prepare our girls to be the future of Papermaker Softball. In doing so we hope to keep the involvement of CYS players in the Kimberly area.

Students and Families of 4k - Grade 4 Students,

This year our district is using a new student login platform called Classlink. The Classlink “landing page” will have all of the programs that students need for remote learning (including Seesaw). Third and fourth grade students will log into their district Chromebooks. Students (family members) in 4k through grade 2 should follow the directions below.

Laptops & Chromebooks

Because we are a Google Education district, the preferred browser is Chrome. Other browsers may work, but Chrome is recommended. See below if you'd like to install Chrome on your laptop. Chromebooks use Chrome as the default browser.

STUDENTS: Please follow these directions to log into Classlink:

1. Go to Kimberly's Classlink student login page:
<https://launchpad.classlink.com/kasd>. The link can also be found on the KASD website under the “Students and Parents” tab.
2. Choose “Sign in with Microsoft”.
3. Enter your COMPLETE email address. If you only have your username, please add “@kimberly.k12.wi.us” to the end. For example if the username is 33msmith, the email would be 33msmith@kimberly.k12.wi.us
4. Enter your password.
5. If you are prompted to save your username and password, choose no if you share the device with someone else at home. Choose yes if you're the only person using the device.
6. You are in! Just click the icon of the program you want to access.

Seesaw on Smart Devices, Tablets, iPads

If you are using a smart device, tablet or iPad, you will need to install the Seesaw CLASS app. **You must choose the Google option TWICE!** Please follow the EXACT directions on [these slides](#) to get students signed into their Seesaw Class app.

Troubleshooting

If you have children at home sharing the same Chromebook, each child needs to sign out of the chromebook completely.
