Below is a list of the top 12 skills identified by parents. A survey will be sent to all parents in January to get your opinions on these skills and many other District priorities. COVID-19 STRATEGIES FOR EVERYDAY OPERATIONS

Kimberly Area School District is taking a variety of actions every day to prevent the spread of infectious diseases, including the virus that causes COVID-19. From the start of the pandemic new tools have become available to limit the effect of COVID-19 on communities and healthcare systems. As a result the CDC and Wisconsin Department of Public Health Services have shifted their COVID response.

KASD is adopting the COVID Strategies listed below, which are supported by our local public health department. These strategies may be revised depending on updated information and guidance from the CDC and Wisconsin Department of Public Health Service.

STRATEGIES	
Ill or have COVID-like symptoms	• Stay home, for more details see When to Keep Your Child Home • Return to school after 24 hours fever-free without fever reducing medications
Positive for COVID	• Stay home from school for 5 days after symptoms begin, AND • Return to school after 24 hours fever-free without fever reducing medications
General Mitigation	• Increased air ventilation; • Standard surface cleaning; • Handwashing; and • Respiratory etiquette
Masking	• Optional, Students/Staff may mask at any time

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

Report it, don't just repeat it.

- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
    - * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
