

## MESSAGE FROM THE PRINCIPAL

Dear Woodland Elementary School Families!

The start to the school year has been strong! I want to begin by thanking you for your children, and for giving us the opportunity to learn with them as they develop into amazing people. With just a few days in, I can already see that this will be a great year of learning at Woodland Elementary School!

Our district mission continues to guide our work, which is: **“Students will grow as problem solvers to reach their potential in academics, arts and co-curriculars.”** At Woodland, we make all of our decisions based on what is best for our students, and on what will help develop them as problem solvers. Whether we are learning to read, write, solve math problems, resolve conflict, or tie our shoes, we want our students to own and be part of the learning process. When they are strategically involved in their own learning, the possibilities are endless. I cannot wait to see what they do!

Starting any school year can present many different challenges for our students. If your child needs any kind of assistance, please let us know how we can help. Mr. Biolo is our new School Counselor and he is ready to support any social/emotional needs for our kids. If your son or daughter has any social/emotional needs, please feel free to reach out to your child’s teacher, or to Mr. Biolo.

I would like to give a special welcome to all new families in the Woodland community. We are excited to have you here and I know you will love the experience. Woodland is a special place and you are now part of what makes it that way each day. I hope you are finding new friends, neighbors, and colleagues who share in the love of this amazing place.

It has again been a great start to the 2022-2023 school year. As we often say, we have the best kids, best staff, best parents, and best community that anyone could ask for. Thanks again for all you do to support us, and please reach out anytime!

***Go Wolves and Makers!***

Timothy M. Doleysh, Ph.D.  
Principal

### 2:00 PM DISMISSAL (PARENT/TEACHER CONFERENCES)

ALL Students are dismissed at 2:00 PM — there is NO CARE PROVIDED by our staff on these days. Y-Care families need to contact the YMCA to “sign-up” for Y-Care on conference days. Thank you!

## HERB KOHL NOMINATIONS

Nominations of Wisconsin PK through 12 teachers and principals can now be submitted online at [KohlEducation.org](http://KohlEducation.org) for the 2023 Herb Kohl Educational Foundation teacher Fellowship and principal Leadership awards. The deadline for submission is Tuesday, October 4, 2022 at 5 p.m. central time.

## THE WOODLAND WAY—PBIS

What is “The Woodland Way”?

Woodland Elementary holds true to the community values of **respect, honesty, responsibility, and kindness**. We expect all students to model these community values during the school year which encourages positive behavior. Our school and classroom rules are positively stated around these expected behaviors. Schools are most successful when they help children grow academically, socially, and emotionally. With clear expectations, it is our goal to continue to foster an atmosphere of great learning and success at Woodland Elementary School.

For more information, please view our [PBIS website](#).

## POLICY ON STUDENT ATTENDANCE AT SCHOOL EVENTS

Just a reminder: All students attending Kimberly Papermaker football games or any other school event need to be accompanied by a parent/guardian, per the following district policy.

### Policy 5855

The Board of Education encourages students to attend as many school events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build school spirit and encourage those students who are participating in the event.

However, in order to ensure that students attending as non-participants are properly safeguarded, the Board requires that all elementary and pre-high school students be accompanied by a parent or adult chaperone when they arrive at the event and throughout its duration. The Board will not be responsible for a student(s) if they attend without an adult chaperone.

The Board will continue to provide adequate supervision for all students who are participants in District-sponsored events.

We require all students to be seated and have designated seating areas for middle school students. We are expecting all elementary and intermediate school students to enter with an adult chaperone. If they are not seated with the adult chaperone they will be seated in the middle section as space permits.

## ELEMENTARY SCHOOL HANDBOOK

Kimberly Area School District Elementary School Handbooks are available to parents/guardians on the KASD Website. You can access the handbook by clicking [HERE](#). The purpose of this handbook is to provide basic information about our schools. It will enable all parents/guardians to have a concise and readily available reference form, with answers to those questions that most often come up each school year. Hard copies are available in the school office at your request.

## WOODLAND & KIMBERLY WEAR

Please click [here](#) to access the PTO online store for Woodland/Kimberly wear.

## COMMUNITY EVENTS

Please visit the KASD website and check out the [Community Events](#) page for more great opportunities and activities for your family.

## BUS RIDING

If you want your child(ren) to ride another student's bus, please be aware that **only bus students can ride a bus**. This is an insurance issue with Lamers Bus Lines and there will be no exceptions. **A written note from both parents involved must accompany all requests to ride another student's bus.**

## LAMERS BUS TRANSPORTATION AGREEMENTS

All students riding the bus must sign a transportation service agreement and turn the form into the office. If you did not receive an email regarding the transportation handbook and service agreement, please click [here](#) to view the documents. The signed agreements are due no later than 9/15/2022.

## BOXTOPS

The Woodland PTO is collecting your Box Tops again this year. Please send them in as you collect them. Any profits we receive from this program goes towards supporting PTO events and activities. There are no cash limits, so the potential for this program is unlimited. Thank you for your continued support!

**THE NEW  
BOX TOPS LABELS**

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label.

If you see this label, use the new Box Tops app to scan your receipt. **Box Tops are still worth 10¢ each for your school.** The app will find participating products purchased at any store and instantly add cash to your school's earnings online.

**THE OLD  
BOX TOPS CLIPS**

Traditional Box Tops clips are being phased out of production, but may continue to be found on many products throughout the store. You can still clip and send them to school.

**Every valid Box Tops clip is worth 10¢ for your school.** Make sure each one has a clearly visible product acronym and expiration date.

\*All valid Box Tops clips submitted per the Program Rules by a Coordinator(s) of (an) eligible, enrolled school(s) will be honored.

## NOON HOUR LUNCH SUPERVISORS NEEDED

Woodland School is looking for a noon hour lunch supervisor. Please contact Jo Davies at 920-730-0924, option 2 or [jdavies@kimberly.k12.wi.us](mailto:jdavies@kimberly.k12.wi.us) for more details if you are interested.

## FUN RUN—FRIDAY, SEPTEMBER 30TH

The annual Woodland School Fun Run, sponsored by the Woodland School PTO, will take place on Friday, September 30th. All students are invited to participate and will receive a 2022 Fun Run T-Shirt. We will be looking for volunteers, so check your schedule and look for more information in next week's weekly notes.

## SCHOOL FEES

If you haven't already done so, school fees can be paid online through [Infinite Campus](#).

## MEET OUR PUPIL SERVICES TEAM

### **Mr. Chris Biolo - Woodland Elementary Guidance Counselor**

Hello! My name is Chris Biolo and I am the new school counselor at Woodland Elementary. I have been a school counselor for 23 years at the high school level. The last 15 years I was a counselor at Kimberly High School and I am now excited to see what this new elementary adventure brings. My home town is Rhinelander Wisconsin. I attended the University of Wisconsin Eau-Claire where I earned a BA in Sociology/Psychology. After Undergraduate school, I moved to Appleton where I began working at St. Elizabeth Hospital on the child and adolescent mental health wing working with kids age 3-18. During this time I earned my Masters degree from the University of Wisconsin Oshkosh /Counselor Education Department. Aside from being a school counselor, I am also a Licensed Professional Counselor in the State of Wisconsin and have had a part-time practice with Psychology Associates of the Fox Cities in Appleton. My wife Sarah and I have three adult son's who all came through the Kimberly School District. Two of our sons are currently in college and one is working as an engineer in New York City. My favorite things to do aside from spending time with family are reading, playing the guitar, watching sports, and, I am an avid bird watcher. As I said, I look forward to this new opportunity working with younger students. Their energy, wonder and kindness has already amazed me. I am excited to help out any way that I can during these formative years. Thank you for the opportunity of getting to know your kids. I will do all I can to help them be happy, healthy, and successful! ~Mr. Biolo

### **Mr. Tom Smits - Assistant to the Principal**

Hello Woodland families. My name is Mr. Smits. This is my 29th year working for the Kimberly Area School District. I started at Janssen School where I taught 3rd grade for 3 years and 5th grade for 10 years. I then moved to Mapleview Intermediate where I taught Healthy Living and was also the Assistant to the Principal for 10 years. The past 5 years I have been at Woodland School as Assistant to the Principal and support students at both Woodland Elementary and Intermediate. I have been married for 29 years to my wife Kristin (5K teacher at Sunrise Elementary). We have two wonderful children, Aaron (24) and Courtney (21). I enjoy deer hunting, fishing, softball, basketball and spending as much time as possible with friends and family at our lake house. I have been very fortunate to have worked with so many wonderful students and their families during my time in Kimberly. ~Mr. Smits

### **Ms. Rebecca Stupka - School Psychologist**

Hello! I am Ms. Stupka and I am one of the school psychologists at Woodland. I am currently in a shared position between Woodland Elementary and JRG Middle School and spend roughly half of my time in each building supporting students through working with staff and families to help students get what they need! I have been a school psychologist in Kimberly for the last 7 years and was previously between Sunrise Elementary and JRG Middle School. I adore working with students and helping to make their educational experiences as positive as possible. In general, school psychologists help guide school staff and families to identify when there is a concern and what support may be necessary to address that concern. School psychologists also help monitor student academics, behavior, and social/emotional skills to determine when supports need to be increased, changed, or decreased based on student progress. One of my major roles at Woodland will be to assist with SSTs (student strategy team meetings). I also plan and conduct comprehensive psychological evaluations for the purposes of information gathering, creating and implementing individual education plans (IEPs), and developing accommodation plans if needed. My favorite thing about my job is getting to know individual students and seeing them be successful in their day to day! I also love being able to see friendly faces from elementary school resurface at JRG. Please feel free to contact me at (920) 788-7905 or [rstupka@kimberly.k12.wi.us](mailto:rstupka@kimberly.k12.wi.us) with any questions. ~Ms. Stupka

### **Mrs. Katie Bork - School Psychologist**

Welcome to Woodland! I'm Mrs. Bork. This is my 15th year as a school psychologist in Kimberly. I also work at Westside Elementary, but this is my first year at Woodland and I am really looking forward to it. I love my job, working with students, teachers and families. I have my own kiddos (Madalyn and Jacob) at home that keep my husband (Brian) and I busy as they are very involved in various sports and activities. I also enjoy spending time with my family, especially at our family's cabin. I also enjoy scrapbooking and making little projects. ~Mrs Bork

**Kimberly Area School District  
HUMAN GROWTH & DEVELOPMENT  
5 Year Old Kindergarten - Grade 4**

Dear Parent or Guardian:

It is important that our youth have knowledge about human growth and development to understand body changes, maintain a healthy lifestyle, and make healthy, responsible decisions which fit with their personal values and yours. It is important for you to be the primary source for information and education, and our schools will provide support to assist your efforts.

4 year-old-kindergarten through twelfth grade human growth and development objectives guide learning in our schools. These objectives were designed by a committee of parents, teachers, administrators, and community members to be developmentally appropriate and were approved by the Board of Education. The objectives for your child's grade level are printed here along with our philosophy for your review. Your child's teachers will provide opportunities throughout the school year for your child to learn these objectives. To provide the best learning situations, we connect this information with other things about which the child is learning. Because of this, human growth and development learning may occur throughout the year when it is most appropriate, but there may be times when the learning is more focused.

Films related to the physical and emotional changes that occur with puberty are used in grades 4, 5, and 6. When the class is viewing one of these films, the teacher or counselor will notify you in advance so that you can have the opportunity to preview the film. We encourage you to take time with your child to discuss the film together after it is shown in class. This discussion provides another opportunity for you to share your values and expectations and to understand your child's perspectives. We have additional resources to help parents connect and speak with their children about human growth and development issues. For more information about available resources, speak with your child's teacher or counselor.

If you have any questions or concerns about what your child will be learning, please talk with your child's teacher or counselor. If you prefer that your child not participate in human growth and development instruction, you need to make that request in writing to the teacher or school principal in advance and an alternative educational opportunity will be provided for your child during that time. Students whose parents exempt them from instruction related to human growth and development will still receive instruction on other health-related topics such as basic hygiene and sanitation, the effects of controlled substances and alcohol on the human body, symptoms of disease and the proper care of the body. Instruction is also provided for elementary students on effective means by which students may recognize, avoid, prevent and halt physically or psychologically abusive or intrusive situations, such as child abuse, child enticement and sexual abuse.

If you would like more information about the district's health curriculum, including the complete human growth and development curriculum, or the instructional materials, please contact me at (920) 788-7900, Extension 4181.

Sincerely,  
John Schultz  
Director of Student Improvement

## PHILOSOPHY

The Kimberly Area School District recognizes human growth and development as a lifelong educational process. The responsibility for this education belongs first and foremost to parents, church, and community. The district recognizes the obligation of the schools to support and supplement this aspect of education. Since students are in school for a large portion of their lives, it seems appropriate that the school offer to assist parents in these areas.

This human growth and development program has been planned with the active, constructive involvement of parents, teachers, students, community leaders, and administrators with approval by the School Board.

The Kimberly School District is committed to provide human growth and development instruction as part of a comprehensive education program. Human growth and development instruction refers to the process of growth in the intellectual, physical, emotional, spiritual, and social phases of individuals and their human relations.

Human growth and development should not be an isolated special facet of education. Sequential, well-planned units appropriate for developmental needs will be integrated through the 4K-12 curriculum. Our goal is to provide accurate information in a non-threatening environment which includes dialogue between parents, students, and teachers. This accurate information will allow students and educators to use correct terminology when referring to human growth and development topics.

The Kimberly Area School District recognizes its responsibility to promote in our students positive self-concepts, healthy interpersonal relationships, and responsible decision making. This curriculum will help students examine their own attitudes and behavior in relation to the norms and values of parents, church, and community.

## OBJECTIVES FOR GRADE 5K

1. Identify and use the basic steps of the decision making process.
2. Identify people they can trust.
3. Recognize there are feelings.
4. Identify their feelings.
5. Recognize that they get to decide who touches their body.
6. Identify appropriate and inappropriate touch.
7. Know that family members take care of each other.

## OBJECTIVES FOR GRADE 1

1. Apply the basic steps involved in the decision making process.
2. Identify adults they can seek out for help.
3. Identify and express their feelings.
4. Identify appropriate and inappropriate touch.
5. Recognize that they get to decide who touches their body.
6. Identify changes a human goes through in a life cycle.
7. Identify the different ways living things reproduce: plants come from seeds, animals come from eggs.
8. Explain how adults in a family provide for a child's physical, mental and social needs.

## OBJECTIVES FOR GRADE 2

1. Apply the basic steps involved in the decision making process.
2. Communicate feelings with others.
3. Know the difference between appropriate and inappropriate touch.
4. Recognize that they get to decide who touches their body.

## OBJECTIVES FOR GRADE 3

1. Apply the basic steps involved in the decision making process.
2. Communicate feelings with others.
3. Know the difference between appropriate and inappropriate touch.
4. Recognize that they get to decide who touches their body.

## Kimberly Area School District Hearing Screening September 2022

Dear Parent(s) / Guardian(s),

**Please find below information regarding the Kimberly Area School District hearing screening program for the 2022-23 school year.**

Hearing screenings will be done routinely in Early Childhood, 4K, Kindergarten and First Grades only. Other children who will be screened are those who have a history of failed hearing screenings in previous school years (Grades 2-4), at a teacher's or parent's request and all students new to the Kimberly Area School District at the elementary level.

Hearing screenings are done up to two times by school personnel including speech and language staff and the school nurse. The screenings include **pure tone screening** and **tympanometry**. In pure tone screening the child wears headphones and listens for three soft tones. He/she drops a block or raises a hand each time a tone is heard. Results are recorded as PASS or FAIL. In tympanometry, a machine is used which measures eardrum movement and indicates if fluid or infection is behind the eardrum. Results are recorded as PASS or FAIL. If your child does not pass either the pure tone or tympanometry screening in either ear, he/she will be rescreened in 4-6 weeks. If your child does not pass the RESCREEN, a referral for medical and audiological evaluations will be made. These medical/audiological evaluations would be at your expense.

**Please note that these are screenings. If you question the results of the school based screening, please refer to your family physician.**

**The hearing screening date for the 2022-23 school year will be:**

**September 22, 2022**

If you have any questions or concerns regarding the hearing screenings OR would like to "opt-out" of this screening for your child, please contact your school office or your building's school nurse:

## Re: Public Nature of School Events

Dear District Families:

The Kimberly Area School District strives to offer a broad array of opportunities for student enrichment. As part of this effort, students have the opportunity to engage in many activities, through both the District's regular curriculum and co-curricular offerings, which allow students to share their talents with the broader school community. Examples include concerts, theatrical performances, academic and athletic competitions, and many similar events. These events, often held on District property during or after regular school hours, are generally open to family, friends, and members of the public.

While the District takes measures to ensure the safety of its events, it does not typically regulate who may attend. Nor does the District regulate the use of photography or video/audio recording at such events. As a result, it is possible that members of the public, including media, will take photographs or recordings of those attending the events. Such photography and recordings are generally for the purposes of celebrating and/or reporting on the events. However, the District recognizes that there may be occasions when this type of attention is unwanted by some families based on safety concerns particular to their family situation, or for other reasons.

If, for any reason, you or your student have concerns regarding participation in District events because of the event's public nature, please contact me to discuss whether your student may need to opt out of participation in the event, or if there are other measures that can be taken to address your concerns.

Sincerely,

Timothy Doleysh, Ph.D.  
Principal, Woodland Elementary School

## COVID-19 STRATEGIES FOR EVERYDAY OPERATIONS

Kimberly Area School District is taking a variety of actions every day to prevent the spread of infectious diseases, including the virus that causes COVID-19. From the start of the pandemic new tools have become available to limit the effect of COVID-19 on communities and healthcare systems. As a result the CDC and Wisconsin Department of Public Health Services have shifted their COVID response.

KASD is adopting the COVID Strategies listed below, which are supported by our local public health department. These strategies may be revised depending on updated information and guidance from the CDC and Wisconsin Department of Public Health Service.

### STRATEGIES

---

#### Ill or have COVID-like symptoms

- Stay home, for more details see [When to Keep Your Child Home](#)
  - Return to school after 24 hours fever-free without fever reducing medications
- 

#### Positive for COVID

- Stay home from school for 5 days after symptoms begin, AND
  - Return to school after 24 hours fever-free without fever reducing medications
- 

#### General Mitigation

- Increased air ventilation;
  - Standard surface cleaning;
  - Handwashing; and
  - Respiratory etiquette
- 

#### Masking

- Optional, Students/Staff may mask at any time
-

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

**Report it, don't just repeat it.**

# INFORMATION FOR PARENTS

## IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

*Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.*

### Your eligible children have the right to:

- Receive a free, appropriate public education.
  - Enroll in school immediately, even if lacking documents normally required for enrollment.
  - Enroll in school and attend classes while the school gathers needed documents.
  - Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
- \* If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
  - Receive educational services comparable to those provided to other students, according to your children's needs.

*If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.*
