

Woodland Intermediate Weekly Notes March 25, 2020

- **Attendance:** When you know that your child will not be able to participate in online learning due to absence or illness, please call the attendance line at 920-730-0924, option 2, as you normally would and leave a message about the length and nature of the absence. Thank you!
- As we approach the end of the third quarter, please be aware that the “Grades” tab in [Infinite Campus](#) was closed to parents starting on Friday, March 20th and will be opening again on April 6th after 3:00 pm. Closing the “Grades” tab allows teachers the opportunity to enter student grades and create the progress reports. On April 6th you can access your child’s report card via Infinite Campus. Please note that when reviewing your student’s report card, teacher comments do not show up in the portal when looking at the main Grades screen. They do, however, if you access the Reports screen. From there, you can generate a report card in pdf format that will have all the comments. If you need to set up your parent portal account in Infinite Campus, please click [here](#).
- Please see the attached message from Woodland Intermediate Guidance Counselor, Tiffani Gelhar, regarding support resources during this time of online learning.

Woodland Wolves!

A Message from your school counselor - Mrs. Gelhar

Well things are certainly different than we are used to. We are facing the challenge of socially distancing ourselves and learning via an online platform. That being said, I know that we can do it and will make it through this time by leaning on each other and doing our best. I want to emphasize that last part, doing our best. That is all we can ask of ourselves; whether we are students, parents, teachers, or staff.

By now, I am sure you have all heard from your child's teachers and have already started doing some online learning. Remember, each student will need different supports from their parents and each parent will need different supports as well. Please know that we are here for you. If you have questions regarding the lessons your teachers are posting, please reach out to them. If you or your child need to talk about coping and taking care of ourselves during this social distancing time period, please reach out to your teacher or me as well. Below you will find the ways to contact me. I have posted this for students via my Google Classroom as well. Keep your heads up and we will get through this!

ACCESSING KASD LIBRARIES DURING SCHOOL CLOSURES

All Kimberly Area School District libraries are closed to students, parents, and community members.

However, digital access to the KASD libraries is always available! Find us on the KASD website or at destinydiscover.com.

Print Materials

All due dates on KASD library materials are extended until two weeks after school is back in session. No library materials should be returned until students return to schools.

At this time, the district will not be handling print materials for check-out or check-in, simply due to the threat of viral contamination. We are hoping that this will be an option for the future, and we will continue to explore this possibility.

Research Access

KASD students have constant access to research resources using their school's digital library catalog. Badgerlink, Webpath Express, PebbleGo, Gale, and other databases are available for each school with links on their school's library catalog page. Some schools have e-books designated specifically for research purposes. These are available through that school's digital library catalog. Students should follow direction from their teacher regarding what research sources to use and at what level. Additional research assistance is available by contacting KASD library media specialist, Erin Wedemeier.

E-Books

Digital access to books will be a platform we will continue to grow throughout this process. For students in grades K-3, Tumblebooks provides digital books, audiobooks, and interactive activities. Access this platform by clicking the link on the school's library catalog page. Students in grades 4-12 have access to a curated collection of e-books. 4th-6th graders can access these from their school's library catalog. Students in grades 7-12 can access e-books from their library website or by going directly to wsdlcwi.libraryreserve.com

Importance of Reading

One of the best ways for students to keep up with their education during this unprecedented time is to keep reading. If your family is struggling to access reading materials, please contact a KASD staff member as soon as possible.
