WOODLAND INTERMEDIATE SCHOOL

WEEKLY NOTES

March 24, 2021

- ***Mark you calendar! Change in dismissal time this Friday, March 26th***. All intermediate students will be released at 1:20 pm on Friday, March 26th. The district is scheduled to receive vaccinations for staff that day, and in order to make sure that all staff have time to get vaccinated we need to release students early. Thank you for your support and flexibility!

- The next spirit day at Woodland School will be on Friday, March 26th and the theme is twin day.

- **Important Update**! The Kimberly Area School District plans to return to full-time, in-person learning as the primary learning model for the 2021-2022 school year. An online option will only be available for students n grades 7-12. For questions or more information, please contact John Schultz at jschultz@kimberly.k12.wi.us.

- **Intramural Basketball**: Starting in April, Woodland Intermediate School is offering intramural basketball for 5th and 6th grade boys and girls. Please see the attached flyer with details and links to sign up.

- There will be no school from Monday, March 29th through Friday, April 2nd. Classes resume on Monday, April 5th. The Woodland School offices will also be closed during this time and will reopen on Monday, April 5th at 7:00 am. Enjoy your spring break!

- **Pop-top Drive!** Several students from the Woodland Intermediate School Make a Difference Club have organized a pop-top drive to benefit the Ronald McDonald House, an organization helping families of children being treated for serious illness or injury…a family can stay in a house at a very minimal charge while their child is being diagnosed and treated for illness. The pop top drive will start April 1st and go through April 28th. Students and teachers can drop off pop-tops in a plastic bag with the number of pop-tops written on the bag at the designated bucket for their grade level. Students can keep track of the progress by checking the poster in the lunchroom showing how many pop-tops each grade has. The intermediate and elementary grade that collects the most pop-tops will get an extra recess for the entire grade! Let's help support our students who want to "Make a Difference!"

- Third quarter has ended and the "Grades" tab in Infinite Campus is closed to parents. You will be able to view your child's report card in Infinite Campus after 3:00 pm on April 6th. Please note that when reviewing your child's report card, teacher comments do not show up in the portal when looking at the main Grades screen. They do, however, if you access the Reports screen. From there, you can generate a report card in pdf format that will have all the comments.

- Our LMC needs your help! There are library books that have not been returned since our closure last spring, including many from this school year. If you are doing any spring cleaning, please check for library books you might have. There will be no late fees or fines...we will just be happy to have them back! Thanks for checking!

- Last call! We have put all of our lost and found items on tables in the vestibule outside the elementary office. Please have your child stop in and check for any missing items. Anything remaining will be donated after spring break.

- Please visit the KASD website and check out the Community Events page for some great opportunities and activities for your family.

Intermediate Academic and Career Planning (ACP)

Fifth Grade Career Development Unit

Students in fifth grade are finishing up their career development unit. In this unit, students continue building awareness of the world of work and begin to explore career clusters in a more personalized way. We introduce students to the career development platform, Career Cruising. They get to explore career clusters in a personal way through understanding their interests and how they connect to different clusters. Increased self awareness with one's interests, strengths, soft skills, and personality traits helps students make connections to which career clusters could be a good fit for them. Visit our ACP webpage to learn more about how we work with students on career development at the intermediate level.

The Kimberly Area School District will be hosting our first WIT Wisconsin - Microsoft Girls Workshop, open to all 5th through 8th grade girls in the district. We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

Report it, don't just repeat it.

Kimberly Area School District

See Something, Say Something® is modeled after the Department of Homeland Security's program.
