Woodland Intermediate School

A Message from the Principal

Dear Woodland Families,

As we shift our focus from the cold days of winter, it has been great to see the snow-covered spaces begin to open up and make room for the excitement, energy and life that spring delivers. As we work our way toward April and patiently navigate the rollercoaster of weather we experience each spring, you will find a few updates in this message about recent and upcoming events at Woodland Intermediate.

Safety: The week of April 8-12 marks Tornado and Severe Weather Awareness Week. Woodland Intermediate will be conducting a tornado drill and discussing tornado and severe weather safety during this week. As part of our continued commitment to safety, Woodland Intermediate school has also recently installed a secure access system, more commonly known as a "buzz-in entry system". The equipment is designed to better manage outside access to the school building during the day. This newsletter contains additional information about its operation and how to gain entry in the building beginning March 29.

Make a Difference Night: Students from across our school came together last week to give back to those in need and to make a difference in our community. As part of our school-wide participation in Unless, well over one hundred students watched an inspirational video, wrote letters to those battling cancer, painted rocks with uplifting messages and made blankets. It was great to see staff, parents, current and former students coming together for a great cause.

Forward Exam: Students at Woodland Intermediate School will begin participating in the upcoming state assessment beginning next week. Students in grades five and six are assessed in the areas of English Language Arts (reading, writing and listening) and mathematics. Each grade level has a slightly different dates they will be taking the exams.

Grade 5 Testing Window: April 1-April 4
Grade 6 Testing Window: April 3-April 9

Apr. 15 - Apr. 19 - No School

Apr. 23 - Woodland PTO meeting in LMC at 6:30 pm

Principal's Message Cont.

Grading Period: The third quarter has drawn to a close. Teaching staff will begin reporting standards-based and letter grades over the next few weeks. All grades should be posted to Infinite Campus no later than Tuesday, April 2 at 5:00 PM. Parents will receive an email from the office with directions on how to access their student's report card information electronically when grades have been finalized.

Spring is a busy time for our students, families and staff. While we continue to work through change both outdoors and inside, the constant is that there is great teaching and learning happening in our classrooms every day at Woodland Intermediate. I hope you and your family are able to enjoy time together as the days become increasingly nicer.

Sincerely,

Dave Lamers, Principal

IMPLEMENTATION OF BUZZ-IN ENTRY SYSTEM

The Kimberly Area School District is dedicated to providing the safest environment for our students and staff. On March 29th Woodland School will be implementing a new secure access system, commonly known as a “buzz-in entry”.

HERE’S HOW IT WORKS:

- All visitors (including family members, volunteers, and vendors) are required to follow the buzz-in procedure during the school day.
- When you arrive, press the button on the intercom. Guests may be asked to present a photo ID to the security camera.
- A staff member may ask you some clarifying questions before granting access to the building.
- Once inside, continue to sign in at the office and wear a visitor badge while in the school.
- Anyone unfamiliar with the buzz-in procedure can refer to instructions posted at the main entrance of the school.

We realize this system will require a change in practice from staff, families, and visitors. Thank you for your support and patience as we work to create the safest learning environment possible.

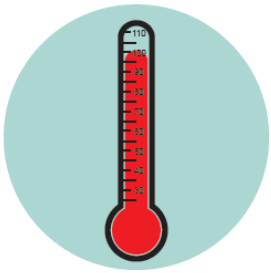
FAMILY RESOURCE INFORMATION/ OPPORTUNITIES TO DONATE

You may or may not be aware that the Kimberly Area School District has two clothes closets that are located in two of our schools. One of the clothes closets is at Mapleview Intermediate (920-788-7910) and the other is at Westside Elementary (920-739-3578). If you would like to donate or are in need of some assistance with resources, you can contact Mapleview or Westside. In addition to the clothes, Woodland is frequently being offered ways to support our families if they should fall upon economic hardship. Please reach out to your child's teacher or school counselor if you are in need of any assistance throughout the year.

When to Keep Your Child Home

Children should be kept home from school when they don't feel well. It is important to get the rest they need to recover, and to prevent the spread of germs to other children and the staff. If you are unsure of when to keep your child home, please contact the school nurse or your family medical provider.

The following symptoms may suggest a communicable disease. Children who have the following symptoms should be kept home from school until a doctor has seen them, they no longer have symptoms indicating a communicable disease or they have received treatment for at least 24 hours for certain diseases.



FEVER

An oral temperature of 100.4 or higher indicates a fever. If your child has a temp of 100.4 or higher at school he/she will be sent home. Your child must be fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product) before he/she returns to school.

SORE THROAT

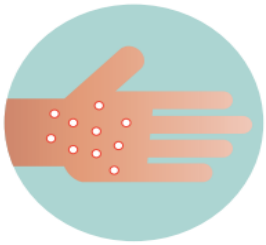
If a fever is accompanied by a sore throat, stomach ache or head ache it may be strep throat. Strep throat is diagnosed by a throat culture obtained at a medical clinic. If your child is diagnosed with strep throat, your child must be on appropriate antibiotics for 24 hours and fever free for 24 hours without the use of a fever reducer (Tylenol or Ibuprofen product) before he/she returns to school.

VOMITING/DIARRHEA

If your child has an episode of vomiting and diarrhea at school, he/she will be sent home. Anyone with these symptoms should stay home until symptoms are absent for 24 hours.

COUGH

A cough may be a sign of many different illnesses. If a cough is accompanied by a fever, sore throat, body aches or any other symptoms you should keep your child home. Any cough that lasts for more than several days should be discussed with a doctor.



SKIN LESIONS/SORES

Rashes and infected sores needed to be diagnosed by a medical provider. Many skin rashes such as impetigo, scabies, chicken pox, Fifth disease or Hand Foot and Mouth disease are very contagious. Students may return to school once the rash has been diagnosed and treated for 24 hours or cleared by a doctor. Open sores from illnesses such as chicken pox and impetigo may need to be covered at school with bandages for several days.

OTHER

Symptoms that prevent the student from active participation is usual school activities OR student is requiring more care than school that can safely provide.
