

WOODLAND INTERMEDIATE SCHOOL

WEEKLY NOTES

May 15, 2019

- Woodland Intermediate School Culver's night will be on Monday, May 20th from 5:00 pm until 8:00 pm.
- 5th grade will be going to the Super Bowl during the morning of Wednesday, June 5th.
- 6th grade will be going to Skate City during the morning of Thursday, June 6th.
- As we approach the end of the year, please be aware that the "Grades" tab in [Infinite Campus](#) will be closed to parents starting on May 21st and opening again on June 6th after 3:00 pm. Closing the "Grades" tab allows teachers the opportunity to enter student grades and create the progress reports. On June 6th you can access your child's report card via [Infinite Campus](#). Please note that when reviewing your student's report card, teacher comments do not show up in the portal when looking at the main "Grades" screen. They do, however, if you access the "Reports" screen. From there, you can generate a report card in pdf format that will have all the comments. If you need to set up your parent portal account in Infinite Campus, please click [here](#).
- Timber Rattler ticket vouchers for Woodland Family night on Thursday, May 30th were sent home with participating students. Please click [here](#) to redeem your ticket voucher and order additional tickets. **Tickets must be purchased online by May 20th.**
- Keep saving your coins! The UNLESS coin drive will be held during the week of May 28th through June 4th. More information will be coming.
- **ANNUAL UPDATE:** As we prepare for the 2019-2020 school year, you will once again be asked to complete the Annual Update through your Infinite Campus portal. The **Annual Update** can be completed **starting AUGUST 1st** and ALL families must complete it each summer. Also, please remember that it is important to keep your family's contact information up-to-date and you can do that any time in your Infinite Campus portal. Please let us know if you have any questions. Thank you!
- **Chromebook Reminder:** If your student is having any issues with their Chromebook, please have them stop by the LMC to have it repaired. If any issues are not reported, the Chromebook will have those issues the following school year when the Chromebook is re-issued to the Student.
- **Attention 5th grade parents!** Every Woodland student will receive a free 2019 Fun Run t-shirt next fall. T-shirt sizes need to be collected prior to the end of this school year. Please click [here](#) to access a google form so we know what size to order for your child. When choosing the size, please keep in mind that they will not get the shirt until next September. Orders are due by Friday, May 24th. Thank you!
- The Woodland PTO Fun Run Committee is looking for a few more volunteers to help with the 2019 Fun Run being held on Friday, October 4, 2019. There are various dates that volunteers are needed. Please click [here](#) to sign up if you can help out. Thank you!
- Mark your calendars! Woodland School picture and paperwork day for the 2019/2020 school year will be held on Thursday, August 8th from 7:30 am—11:30 am and 3:00 pm—6:00 pm. Please note that you can get your school photos taken this summer at any district school. Please see the attached flyer for more details!
- It's that time of year again...time to think about the easy way to buy back to school supplies! Please click [here](#) to get started with your order from 1st Day School Supplies. Orders are due by June 15th.
- Please see the attached flyer or visit the KASD website and check out the [Community Events](#) page for more great opportunities and activities for your family.

PAGE #1

Computer

6th Grade Computer Applications

Sixth graders are working hard to complete their Career Cluster Research Projects. This project is designed in collaboration with the Guidance department to explore different careers within a career cluster they are compatible with. Students are welcome to access Career Cruising from home for additional information and resources regarding Academic and Career Planning.

I am sad to see this year come to an end, but we are finishing with a bang! I'm so proud how far this sixth grade class has come, in both World Studies and Computer Applications, and wish everyone the best of luck next year at JRG!

Mrs. Berndt (ext. 2625)

Physical Education 5th and 6th grade P.E.

The 5th and 6th grade students are doing soccer and baseball/softball for the rest of the year. We will be going over the skills that include for soccer: passing, dribbling and kicking on goal. Baseball/softball: hitting, throwing. The students will go over some of the rules of the game.

The students are looking forward to getting outside to play the games. When the students are in a big setting, the teacher is looking to see if the student are following the rules and showing cooperation with other students.

Mr. Weyers (ext. 2660)

World Studies

5th Grade World Studies

Guten Tag! The fifth graders will soon be learning the language and culture of Germany! Many of them have been excited to share that they have German ancestry and were particularly interested in this unit. In comparing German and American culture, students will learn that culture consists of both visible features (like dress and language) that are easy to see or observe and also invisible features (like values, beliefs and attitudes) that cannot be observed directly. Essential Questions we ask in this unit are, "How can cultures that look alike actually be different?" and, "Why is it important to study a culture beyond what you see?"

Enjoy your summer vacations! I'm looking forward to working with everyone again in sixth grade World Studies and Computer Applications!

Mrs. Berndt (ext. 2625)

CHOIR INFORMATION:

The choir had a great year! Thanks for your time and dedication to this group! We successfully sang some very difficult music, which is very impressive in the short time we have to rehearse. The concert at Lawrence was the highlight of our year. I am thrilled that many of the 6th graders from choir have joined the 7th grade choir, and several others who were not in choir have joined as well! I am hoping the 5th grade students will return with even more friends next year. Keep singing!

Healthy Living

6th Grade

Healthy Living

It is hard to believe this is my last newsletter for the 6th graders. I feel so lucky to have gotten to know the 6th graders these past two years and am confident that they will continue to grow physically, mentally and socially over the summer and next year at JRG.

We successfully finished our unit on nutrition and alcohol. We will have our two day human growth and development unit the week of May 13-16. You are able to view the video your sons and daughters saw on Safari Montage on the district website. Email me if you need "clicking" directions.

All our units focus on the choices your sons and daughters are and will be making. I am hoping they are armed with the understanding of topics that will help them to make the best choices for their health. We recognize that changes that occur during puberty are not just physical, but mental and social as well. As parents, you may be painfully aware of how your child is striving to be more independent. She/he is able to think deeply about subjects and see how his/her actions can affect other people. I certainly hope that I have supported your discussions at home about peer pressure; standing up for what is right and being true to yourself.

As I've told the 6th graders after every unit, "the 'insert unit here' unit is over, but it is never really over. Life is their ultimate assessment of "are they able to apply what they've learned to making good decisions?" I am wishing your son/daughter all the best as they begin making these decisions.

Have a safe, relaxing, fun summer!

Mrs. Curtis (ext. 2864)

Band

We are proud of the accomplishments you have made this year. Keep up the hard work, and let's finish the school year strong.

Band Camps:

Incoming 6th graders
August 19 - 23 at JRG

Incoming 7th grade
August 12 - 15 at JRG

Ms. Shimek (ext. 2621)
Mrs. Carpenter (ext. 2654)

MUSIC

Music Room News

The 5th grade students have been reviewing note names and singing in 2 and 3 part rounds. It has been fun to see their progress in singing. We will be learning songs that are from our American history, and also in other languages, which tie in well with the World Studies and Social Studies classes. I look to continuing to make beautiful music next year! I hope to see many students in choir next year, there are so many great singers in this class!

The 6th graders have learned about the use of sound effects on television, movies and radio and have narrated fairy tales using sound effects found on the keyboards, and also searched the web and my instruments to help enhance their story. They presented them to the class. We also have looked at the uses of music throughout history and discussed how music is different in different eras.

I look forward to seeing the 6th grade students in future performances, and wish them much success!

Mrs. Been (ext. 2647)

ART

5th Grade Art

The 5th grade students are in the middle of creating a sculpture made of plaster gauze. The students learned how to plaster their hands and fingers with plaster gauze, and design a sculpture from their hand and fingers. The students also will design a base (made from cardboard) for the sculpture to sit on. This base will create a mood that will bring the fingers and hands to life. The 5th grade students will use paint, hot glue, feathers, beads, sequins, leather and other materials to help make their sculpture unique!

When the students are all finished with their plaster project they will fill out a name tag. After they are finished with their name tag they will use their chrome book to fill out their check off sheet (self- assessment) on our Google classroom. The plaster projects will be displayed in the display cases when they are finished.

The Elements of art we have covered are:
Color, Value, Form, Line, Shape and Texture.

APRIL & MAY FACES IN THE CROWD

Katelyn Oleszak

Meredith Thao

Aiden Stoeger

Trevor Van Eperen

Stella Welhouse

Olivia Rooyakkers

Natalie Ott

Amy Schuettpelz

Noah Kluender

Alex Mulroy

In an effort to recognize students who are going above and beyond what is expected of them at Woodland Intermediate, "Faces in the Crowd" has been established. Once a month students are nominated by their classroom teacher or specials teacher. April "Faces in the Crowd" are: Katelyn Oleszak nominated by Mrs. Gelhar, Meredith Thao nominated by Mr. Calmes, Aiden Stoeger nominated by Mrs. Mueller, Trevor Van Eperen nominated by Mrs. Yeghiaian, and Stella Welhouse nominated by Mr. Lamers. May "Faces in the Crowd" are: Olivia Rooyakkers nominated by Mr. Eichman, Noah Kluender nominated by Mrs. Balistreri, Natalie Ott nominated by Mr. McGregor, Amy Schuettpelz nominated by Mrs. Bandt, and Alex Mulroy nominated by Mr. Lamers. Congratulations to each of you for being a positive role model at Woodland Intermediate School!

NWEA[®] MAP[®]

Measures of Academic Progress Information Sheet

Near the end of the school year, parents will receive their student's MAP results. Those results will be mailed with a cover letter that provides some information about the MAP test and how to interpret the results sheet. This Information Sheet is designed to provide additional information about MAP testing and its uses.

Questions and Answers

What is NWEA MAP?

NWEA is the Northwest Evaluation Association, a not-for-profit organization committed to helping school districts across the nation improve student achievement.

MAP (Measures of Academic Progress) is one of the assessments NWEA offers to districts to improve student achievement.

What does a MAP assessment look like?

A MAP assessment is a computer delivered adaptive test. As the student responds to questions the computer builds a test for that student based on correct or incorrect responses to previous questions.

What do MAP assessments measure?

MAP assessments are aligned to Wisconsin State Standards and are designed to measure student knowledge and skills in the content areas of reading, language arts, and mathematics.

How is a MAP test scored?

The test results identify your child's academic achievement in *RIT* scores. This is a different type of score than a typical test which usually reports a percentage correct. The *RIT* score is a continuous scale, independent of grade level. As a result, your child's academic growth from fall to spring, and from one school year to the next can be easily measured, similar to how a student's height can be measured with a ruler.

Who takes the MAP assessment?

Students in grades 5 thru 8 take the MAP assessment in the areas of reading, mathematics, and sometimes language arts.

What is the difference between MAP and the Forward (state test)?

The results of the state's annual test (Forward) indicate whether a student is performing at grade level. The MAP test identifies a student's instructional level. Because MAP is given in both the fall and spring, a student's growth during the school year can also be measured.

How are the results of MAP testing used?

The MAP assessment, combined with other student performance results, provides the teaching staff with valuable information to inform instruction. Because of the nature of the scoring system used by MAP, a student's progress or growth can be tracked during the school year and from school year to school year. MAP results can also be used to set and monitor school improvement goals.

When are students assessed and how often?

MAP allows for testing a child up to four times a year in each content area. In the Kimberly Area School District, students are tested in reading and math once in the Fall (September/October) and once in the Spring (April/May).

Some testing is also done at mid-year (January/February) when teachers want to check on the progress students are making.

What does the MAP report look like?

■ Student RIT
 ■ District Grade Level Mean RIT
 ■ Norm Grade Level Mean RIT
 ■ Student RIT Projection

Reading Goals Performance -

Literature	HiAvg	Informational Text	HiAvg
Vocabulary Acquisition and Use	HiAvg		
Lexile® Range	969-1119L		

Understanding the Report

Term/Year - The test term (FA=Fall, SP=Spring, WI=Winter) and the year when the student took the test.

Grade - The student's grade in school at the time of testing.

RIT - The blue bar in the chart and the middle number in the results table show this student's RIT score. The numbers on either side of the RIT score in the table define the score +/- the standard error. If retested soon, the student's score would fall within this range most of the time.

District Grade Level Mean RIT - The average RIT score for students in the Kimberly school district at this grade level who were tested at the same time.

Norm Grade Level Mean RIT - The average RIT score for students in this grade level who were tested at the same time from a national sample.

RIT Growth - Presents the student's growth in RIT points made between Fall and Spring testing.

Growth Projection - The average growth of students who were in the same grade and began the same term at a similar RIT score according to the most recent NWEA statistical study.

Percentile Rank - The number in the middle is this student's percentile rank, or the percentage of students that had a RIT score less than or equal to this student's score according to the most recent NWEA statistical study. The numbers on either side of the percentile rank define the percentile range. If retested soon, this student's percentile rank would be within this range most of the time.

Goals Performance - For each subject area, Goals Performance information is presented below the bar graphs. Goals Performance describes how well the student did in different areas of that subject on the most recent test.

Lexile Range - Lexile is a reading measure. The Lexile range can be used to help students find books that match their reading level.

For additional information about your child's MAP results, contact your child's teacher or principal.

*For additional information about the MAP test, contact John Schultz, Director of Student Improvement.

Re: Medication Pick-up - End of Year/Summer School

MEDICATION PICK UP

For students whose parents have provided medications this school year, parents/guardians are reminded to pick up the medication from the school office by **June 6, 2019**. The medications will **not** be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by June 13, 2019 **will be disposed of**.

For students who are attending summer school **Archery, Band Camps, River Studies, Sports (academy, camps, leagues, skill development), Swimming, Strength, Speed & Agility or any camps at JR Gerrits or Kimberly High School**, parents and students must plan ahead to have emergency medication available while the student is in one of these activities held away from Woodland. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

MEDICATIONS TO WOODLAND FOR SUMMER SCHOOL

For students who also receive prescription or over the counter medications this school year and have enrolled in **summer school with classes held at Woodland**, your child's medications will be sent to Woodland School. Parents/guardians are reminded to pick up the medication from the school office by the end of Summer School. The medications will not be sent home with your child with the exception of over-the-counter medication and inhalers. Medications not picked up by the end of Summer School **will be disposed of**.

If you have any questions, please feel free to call. Thank you for your cooperation.

Woodland School Library Summer 2019 Book Checkout

Dear Parent/Guardian:

We will be allowing library books to be checked out for the summer months from the Woodland School Library. For those students **5K- 5th** grade who would like to get books to read over the summer and have parent/guardian permission, they will be able to check out up to 10 books from the library.

In order for students to check out books for the summer, they will need to have the permission slip on the bottom of this sheet signed and returned to the library no later than Friday, May 24, 2019. Books for the summer will be checked out the week of May 27th on your child's library day. We will provide a book bag for the books, please make sure your child returns the books in this bag on the first day of school.

If you have any questions on the summer library check out, please don't hesitate to email me at lbrigman@kimberly.k12.wi.us or give me a call 788-7900 ext. 2338.

Mrs. Brigman-LMC Director

Please detach and return to school no later than Friday, May 24, 2019

Woodland School Library Summer 2019 Book Checkout Permission Form

Student Name: _____ Current Teacher: _____

Grade for 2019-20 School Year _____

The above named student has my permission to checkout **up to 10 books** from the Woodland Elementary/Intermediate School Library for the summer. These books and book bag will be returned on the first day of school.

Difference Maker Football Camp

For People with Special Needs

When?

Saturday, June 1st, 2019

10:00 AM- 11:30 AM

Indoor Facility (East/Back parking lot of Kimberly High School)

Free for all Participants

Registration by May 15th for a free T-shirt. You can still register late but you won't get a free T-shirt. Register ASAP!

Who?

People with special needs age K-12 (students from all school districts are welcome!)

Where?

Indoor Training Facility located at KHS (1662 E Kennedy Ave, Kimberly, WI 54136)

What?

- Diving Catches
- Touchdown Dances
- Pictures In Equipment
- Playing Catch
- D-Line Figure 8
- Tackling Drills
- Kicking and Punting
- WR vs. DB Competition

Why?

The goal of this camp is to provide a fun, educational, and active environment to support and inspire all at camp. Participants will have an enjoyable time with student-athletes at Kimberly High School

INFORMATION FOR PARENTS

IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

- Receive a free, appropriate public education.
 - Enroll in school immediately, even if lacking documents normally required for enrollment.
 - Enroll in school and attend classes while the school gathers needed documents.
 - Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
- * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
 - Receive educational services comparable to those provided to other students, according to your children's needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Be a Sub!

Join our team as a Sub!

Do you enjoy working with children while maintaining a flexible work schedule? Have you considered becoming a substitute teacher?

The Kimberly Area School District is seeking talented Substitute Teachers who want to join a team of ambitious professionals who help all students succeed. Sometimes, our educators are away from their classrooms for things like professional development or when they are ill. That's when we need talented individuals to continue providing a high-quality education to our students.

Qualifications:

- **Current Wisconsin Educator License**
- **-Or- Substitute Teacher Permit.**
- Have an **Associate's Degree** or **Bachelor's Degree** but **not a Substitute Teacher Permit?** Contact us at (920) 788-7900 to learn more about pursuing training to obtain a Substitute Teacher Permit.

Substitute Teachers new to KASD are supported by helpful District staff at each building. The District uses an online Substitute Teacher System (AESOP) where you can view and customize subbing positions you are most interested in for your subbing career. ***KASD offers a competitive daily pay rate for our substitute teachers.***

Are you ready to join a team of talented professionals who help students become community, college and career ready? Complete an application through WECAN (Wisconsin's K-12 hiring website) by visiting <https://services.education.wisc.edu/wecan>.
