KIMBERLY AREA SCHOOL DISTRICT

# Woodland Intermediate School

# A Message from the Principal

Dear Woodland Families,

As we reach the midpoint of our third week of school I hope your son or daughter is beginning to settle into school year routines. Staff have spent a great deal of time putting structures in place to help students feel successful and supported while they transition to their new grade and/or school and we hope that your child has adjusted well to the change.

Today and tomorrow our fifth grade students will participate in an off-site team building experience that encourages homerooms to work collaboratively and challenges them to accomplish goals collectively. In years past, the experience has been a valuable way for students to meet classmates, problem solve together, and demonstrate our community values of respect, honesty, kindness and responsibility.

In the coming weeks our sixth grade students will also participate in a team building experience. Details of our day long sixth grade camp experience were sent home earlier this year with your son or daughter. Much like our fifth grade experience, Camp U-Nah-Li-Ya emphasizes the importance of building community and developing problem solving skills.

During the first days of school we also took time to review our school-wide safety procedures. Students participated in a variety of emergency drills so that each child was familiar with how we manage emergency responses. In addition to practicing our procedures at the beginning of the year, we have monthly opportunities scheduled to review drills so that students can be prepared. Please know that your child's safety is our highest priority at Woodland.

Our staff have been working hard to provide a great experience for students this year. We value our partnership with families and encourage you to reach out if you have questions or would like to know more about your child's transition, classwork, or experience at Woodland Intermediate. We are committed to working collaboratively to ensure a great experience for all kids.

Sincerely,
Mr. Dave Lamers

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities.

**Dates to Remember:**

Sept. 22 - Spirit Day - Red & White Day

Sept. 29 - 11:20 am Release

Oct. 2 - 6Th Grade Field Trip to Camp U-Nah-Li-Ya
Bergmann, Lau, Wesoloski

Oct. 3 - Picture Retake Day

Oct. 6 - Fun Run

Oct. 9 - 6th Grade Field Trip to Camp U-Nah-Li-Ya
Heinz, McGregor, Price

# 6th Grade Camp Information

Kimberly Area School District

**HEALTH SERVICES**

Cindy Vandenberg, school nurse 423-4144
Kathy Verstegen, school nurse 423-4147
Wendy Van Nuland, school nurse 423-4150

PO Box 159 Combined Locks, WI 54113 Phone (920) 788-7900 Fax (920) 788-7919

## CAMP MEDICATION INFORMATION 2017

Mrs. Bergmann, Mrs. Lau and Mrs. Wesolowski attend camp on Mon. Oct. 2th.
Mrs. Heinz, Mr. Mc Gregor and Ms. Price attend camp on Monday Oct. 9th.

All Paperwork, including health medication **paperwork is due on Wed. Sept. 27.**

- If you have medication consents on file for this school year, there is nothing else you need to do. We will send the medications that you have already provided including emergency medications such as inhalers, epipens and glucagon.
- **Inhalers**: If your student has permission from their health care provider to carry their own inhaler, make sure they have it on their person, not packed in a bag. They will NOT be allowed on the bus without it.
- **Prescription medications** (not given at school): Parent/guardian and physician signatures are needed on the KASD Request for Giving Medication form provided in the camp packet.
- **School will provide Stock medication** such as Acetaminophen, Ibuprofen and Benadryl. If you want any of these made available to your student, you may fill out that information on the Outside Of School Field Trip Permission Form.
- All medications must be in their **original** container and contain only enough medication for that day.

# 11:20 Dismissal - Friday, September 29th

Mark your calendars! There will be an 11:20 am dismissal for Intermediate students on Friday, September 29th. All Intermediate bus students will be transported at 11:20 am. The YMCA does provide after school care at 11:20 am for those previously signed up.

## School Attendance

If your student is going to be absent we ask that you please contact the Main Office at 730-0924 option 2 to let us know that he or she will not be present for class as soon as possible. When leaving a message, please indicate your child's name, homeroom teacher, and reason for the absence. You are able to leave a message at any time outside of our normal office hours (7:00-3:30 PM). Please note that any time your child has an appointment and will be late or miss a portion of the school day, it is a good policy to turn in a note from the doctor. If a note is presented, the absence will not count towards their attendance.

Wisconsin's school compulsory law requires students miss no more than ten (10) days per school year. Once a student has missed ten or more days of school a doctor's note is required to excuse the absence. Students who visit the doctor due to an extended illness in advance of the ten days are also encouraged to send a doctor's note to the Main Office excusing the absence. Absences excused by a medical professional generally do not count toward a student's ten day maximum. If you have questions regarding our attendance policy or a unique circumstance, please contact Beth Nieuwenhuis, the Woodland Intermediate attendance secretary.

## Herb Kohl Education Foundation Award

The Herb Kohl Educational Foundation is once again looking to recognize outstanding teachers and schools. Parents, teachers, students, community members, or administrators are able to nominate an outstanding teacher by submitting a nomination form on line at www.kohleducation.org. Nominations must be made online no later than Friday, September 22, 2017. Teachers and principals nominated will then be sent an application form.

## New Staff Members

Please welcome the following new staff members to Woodland Intermediate:

- Kirsten Bandt - Spec. Ed. Teacher
- Josh Hopfensperger - 5th Grade Teacher
- Jenny Kaufmann - Lean Coordinator

- Jessica Huss - Literacy Support
- Tara Meyers - 5th Grade Teacher
- Tiffany Wesoloski - 6th Grade Teacher

## Picture Re-take Day

Picture re-take day is scheduled for Tuesday, October 3rd at Woodland School. Save this date if your child missed having their picture taken at our Picture and Paperwork days. Please click here to access the Network Photography order form.

## Extended LMC Hours

Each school day the Woodland Library will be opening at 7:00 A.M. With the earlier opening of the LMC, Woodland's Intermediate students will be given the opportunity to come in and use the LMC for reading and research as well as checking out/returning books. Computers will also be available for use. Students may stay until 7:28 A.M. when they will be asked to go their classrooms. Adult supervision will be provided.

## KASD Intermediate School Handbook

Kimberly Area School District Intermediate School Handbooks are available to parents/guardians on the KASD Website. You can access the website by clicking HERE. The purpose of this handbook is to provide basic information about our schools. It will enable all parents/guardians to have a concise and readily available reference form, with answers to those questions that most often come up each school year. Hard copies are available in the school office at your request.

## Art Donations

If anyone has items that they would like to donate to Mr. Calmes for use in his art classes, please bring them into the office. If you are not sure if we will use particular items, please contact Mr. Calmes. We are always looking for people to donate items from home or work. Thank you!

# Notes from the School Nurse

Welcome back to school! Students taking medication at school are required by Wisconsin law to have the following documents in place before any medications will be given: For non-prescription medications (including cough drops), the medication consent form must be filled out with parent's signature and returned to the school office. For prescription medications, the medication consent form must be filled out with parent's and physician's signature and returned to the school office. Forms can be obtained in the school office or on the District website at: http://www.kimberly.k12.wi.us/departments/health-services

**Please note:** If your child has an asthma, food allergy, diabetes or seizure plan to be completed and returned to school, the medication consents are integrated into these forms and a separate form is not needed.

**********

**Emergency Medications:** Please be aware that emergency medications that are provided for use during the school day will not be accessible after school hours. Parents and students should plan ahead to have emergency medication available during after school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

# Notes from the Office

**BUS RIDING**

If you want your child(ren) to ride another student's bus, please be aware that **only bus students can ride the bus**. This is an insurance issue with Lamers Bus Lines and there will be no exceptions. **A written note from both parents involved must accompany all requests to ride another student's bus.**

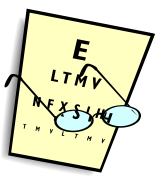
You **must** sign your student out when picking them up during school hours.

You **do not** need to sign them in when they return to school.

We ask that when a student comes back from an appointment or is late that they sign themselves in and pick up a pass from the office to take to their classroom.

## Vision Screening.

Vision screening will take place on October 19th for all 5th grade students and any new 6th graders to the district. If there are any 6th grade students with vision concerns, please let us know and they can be tested as well.



## A Safe Woodland

Keeping your child safe is a top priority at Woodland. As Building and Safety Coordinator, I serve with a team of teachers, administrators, and our police liaison officer. We are focused on the well-being of everyone in the school. Throughout the year our team meets to review and discuss all our safety plans. We are continuously analyzing our procedures with the goal of evaluating any improvement areas.

Woodland has safety plans for pick-up and drop-off procedures, evacuations, inclement weather, inside intruders, outside intruders, and medical emergencies just to name a few. These plans are communicated with our entire staff throughout the school year, and practiced so our students are at ease and comfortable with all drills.

Our Woodland team works hard to have the people and processes in place to keep your child safe. Our belief is that good planning results in a rapid, coordinated, effective response. We share your commitment to not only providing your child with a great education, but also a safe learning environment.

Ryan Eichman
5th Grade Teacher
Building and Safety Coordinator

## Appointments, Forgotten Items, Messages

We commonly see a number of items brought to the office to be given to students throughout the day. This includes lunches, musical instruments, phones, as well as calls to get messages to students. While we realize that some things are unavoidable, please try to ask the office to get a message to your child only in cases of emergency. School policy is not to interrupt learning any more than absolutely necessary. If your student contacts you from school concerning a forgotten item, it is their responsibility to check in the office. Thank you for your support in creating a great learning environment!

## Important Snack Guidelines

Your help is needed when sending treats to school. Please choose treats that **do not contain peanuts or peanut butter. Peanut and peanut butter allergies are on the rise and we have students who are very allergic to these and other nuts.**

# Policy on Student Attendance at School Events

Just a reminder: All students attending Kimberly Papermaker football games or any other school event need to be accompanied by a parent/guardian, per the following district policy.

Policy 5855

The Board of Education encourages students to attend as many school events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build school spirit and encourage those students who are participating in the event.

However, in order to ensure that students attending as non-participants are properly safeguarded, the Board requires that all elementary and pre-high school students be accompanied by a parent or adult chaperone when they arrive at the event and throughout its duration. The Board will not be responsible for a student(s) if they attend without an adult chaperone.

The Board will continue to provide adequate supervision for all students who are participants in District-sponsored events.

We require all students to be seated and have designated seating areas for middle school students. We are expecting all elementary and intermediate school students to enter with an adult chaperone. If they are not seated with the adult chaperone they will be seated in the middle section as space permits.

# World Studies Tour 2019 - Dominican Republic

Please see the attached flyer with information about the World Studies Tour 2019 to the Dominican Republic. A meeting will be held on Monday, October 2nd at 6:30 pm in the Mapleview LMC to learn more. Please contact Mrs. Berndt at eberndt@kimberly.k12.wi.us if you have any questions.

We hope to see you there!

# BACK-TO-SCHOOL SAFETY

Now that school is back in session, please remember to drive safely around pedestrians, school buses and bicyclists, and to provide children with the necessary knowledge to stay safe on their way to school and while at school. Whether students walk, ride their bike, take the bus or drive to school, it is extremely important that they - and the motorists around them - take proper safety precautions.

Please remember to:

- Slow down and watch for students in school zones and wherever children are present.
- Drive cautiously around school buses, including obeying the amber warning and red stopping systems.
- Follow the safety procedures for drop off and pick up at our school.

Safety is a top priority and we appreciate your support in helping to keep the children in our community safe.

## Computer

**5th Grade Computer Applications**

**Welcome to Computer Applications! The first fifteen minutes of each class is spent practicing keyboarding skills using a program called Typing.com. Using an online program allows students who are looking for more practice to access their lessons from home as well. At the start of each month, students complete a timed test to measure how their speed and accuracy has improved, and they evaluate their posture, use of the keyboard covers and focus. Computer Applications is a letter-graded class, so you will see these scores by logging into Infinite Campus. I like to remind parents to encourage proper keyboarding techniques at home so the skills learned in class carry over to everyday life. This month, I challenge you to ask your child to teach you the proper keyboarding posture we practice in class! I'm excited to get to know you and your child this year!**

**Mrs. Berndt (ext. 2625)**

## Physical Education

**5th and 6th grade P.E.**

**The 5th and 6th grade PE classes will be working on Space Awareness in class. The definition of Space Awareness in PE class is: "knowing your surroundings when running in class." The students will also be testing. The tests include: Pacer, Sit-n-Reach, Push-Ups, Sit-Ups,and Shoulder Stretch. We will be testing three times throughout the year. The students will need tennis shoes and socks for class the rest of the year.**

**Mr. Weyers (ext. 2660)**

## World Studies

**6th Grade World Studies**

Bonjour et bienvenue! As a sixth grader, your child will be studying French and Spanish this year! We are always looking for guest speakers to visit classes and share travel stories with us. If you or someone you know would be interested, please email me. We began our French unit by learning the benefits of speaking French. For example, did you know that French is the second most learned language in the world, and is spoken on all continents? It is a thriving language in today's global economy, with over 40 countries around the world who use it as their daily language! Students who learn a second language such as French have shown to be more creative and better at solving complex problems, develop a deeper understanding of their own and other cultures, and improve their overall school performance. Evidence also shows that children who learn a language before the onset of adolescence are more likely to develop native-like pronunciation. This month, I challenge you to ask your child which benefits he or she chose as his or her top three reasons to learn French!

**Mrs. Berndt (ext. 2625)**

**Band and Choir information:**

Please mark following concert dates on your calendar; note that students are all expected to attend their grade level concerts, and wear dress pants or khakis, dresses or skirts with dress shoes and a nice top without logos or writing.

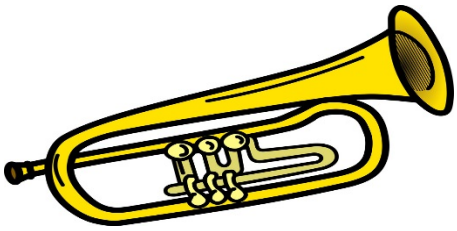
December 5: All Grade 6 students, Band, and after school choir

January 16: All Grade 5 students and Band students

February 9: Intermural Choir at KASD Choral festival at Lawrence Memorial Chapel

April 17: 5th and 6th grade Bands, after school choir and Art show.

# PAGE #2



## Healthy Living
5th Grade

It has been a great start with the 5th graders in Healthy Living. I describe this Healthy Living class, as truly a Wellness class addressing physical, mental and social health especially as they apply to adolescents. Healthy Living is a non-graded class, but we continue to have standards to address and good habits to establish, therefore occasional homework is given. Our topics this year include: Wellness triangle, Developmental Assets; Nutrition; Family/Friends; Emotions; Stress/Anger; Tobacco; Personal Health and Safety, and Human Growth and Development. Our first unit has been the Wellness Triangle. Students are learning to broaden their view of what it means to be healthy to include not just physical health, but mental and social health as well.

Following the Wellness Triangle, we will begin our unit on "Social Health". Family influences our physical, mental and social health by the genes that are passed down, as well as, by the environment in which we are raised. Friends will become an even greater influence on students' health in the upcoming years. For this reason, evaluating the characteristics that we look for in friends is vital. The final topic in our social health unit is bullying. We know from the recent school climate survey that most students enjoy school, feel safe and are happy. Unfortunately, there continue to be incidents of bullying. Recognizing bullying and knowing what to do in the situation to stop it will, hopefully, help all students to feel safe, included and cared for. Identifying the roles all people play in our lives and how to improve and keep healthy relationships is key to staying well.

If you have any questions throughout the year, please contact me at ext. 2864.

Mrs. Curtis (ext. 2864)

## Band

1. Concert Dates for Band

Please mark your calendar!!!!

December 5, 2017 6:30 pm – 6th grade band, 6th grade music classes and choir

January 16, 2018 – 5th grade band and 5th grade music classes

April 17, 2018 – 5th and 6th grade bands and choir

Students are asked to wear nice clothes for the concert. Since this is a performance, we ask that students do not wear athletic clothing such as wind pants, shirts with writing or blue jeans.

2. Lessons (IMPORTANT)

Lesson and band schedules went home last week. If you did not receive the note, please email for details. Lessons started this week. Students will be asked to turn in a practice sheet, signed by parents, each week. For students to progress, 100 minutes a week is expected. Students may need a few extra reminders about that right now, so help them out.

Ms. Shimek (ext. 2621)
Mrs. Carpenter (ext. 2654)

## MUSIC

**We're off to a great start! Fifth grade music classes are reviewing known concepts and are beginning to learn new rhythms though some silly new songs. The students of fifth grade are very good singers and have remembered many music reading concepts from 4th grade! We are adding vocabulary words and sharpening our listening skills by doing some focused listening for different instruments and sections in marches. The fifth grade concert will include all the students of grade 5 singing and will also include the students who are in the band. This concert will be held on January 16th.**

**Sixth grade students are reviewing rhythms and note names of the treble and bass staves through singing and worksheets. It's fun to jump in where we left off in fifth grade. Their singing continues to be impressive! We will very soon learn how to play the drums and other instruments in world drumming. We will include our drums and voices on our performance on December 5 at 6:30 pm. Please make sure your calendars are marked with the date, the concert will include every student in Grade 6.**

## CHOIR

**The choir is once again planning to sing in the KASD Choral Festival on February 9 at the Lawrence Memorial Chapel. This concert will feature all of the choral ensembles in grades 5 – 12, with a song in which everyone will sing together! Our first week of rehearsals is September 26, with girls meeting on Tuesdays and boys on Thursdays. Rehearsals will run right after school untill 3:55. We can share Globe Trotter students as they wrap up their adventures. If you missed the sign up and still wish to join, contact Mrs. Been ASAP. You can stay up to date with Choral events on the Woodland Intermediate music web page. https://sites.google.com/a/kimberly.k12.wi.us/music-maestros/**

Mrs. Been (ext. 2647)

## ART

### 6th Grade Art

**The 6th grade students are learning about the painting movement "Impressionism." Impressionism is a 19th-century art movement that has relatively small, thin, yet visible brush strokes in the paintings. Famous artists like Claude Monet (Impression Sunrise) and Vincent Van Gogh (The Starry Night) have very recognizable paintings that you may have seen before. The sixth grade students used their chrome book to search for an image they wanted to use for their painting. After they selected their own image the students learned how to free draw their image onto a sheet of paper, and then they transferred their image onto their canvas panel so they could begin painting their image. The 6th grade students then were ready to paint their image, but they needed to turn their image into an Impressionist style. The impressionism style has a few things that the students had to be sure they used when painting: No water on their brush, No solid colors, thick paint, variety of colors, two colors on top of each other, shadows, value and brush strokes. When the students finish their painting they will fill out the back of their canvas panel with a variety of details like: their name, title of their painting and signature. Before they turn in their painting they will use their chrome book to fill out their Google form "check-off sheet" (self-assessment) for their painting and will fill out and attach a name tag to their painting. The paintings will be displayed in the display cases when they are finished.**

**The Elements of Art we have covered are:**
**Color, Form, Line, Shape, Space, Value and Texture.**

**Mr. Calmes (ext. 2321)**

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities.

# World Studies Tour 2019: Dominican Republic

## July 8 - 15, 2019

## Explorica.com/Berndt-9202

Dear Parents,

We are excited to announce that we will be leading our current 4th and 5th grade students on a once-in-a-lifetime educational tour, "Dominican Republic Highlights." We'll explore famous historic sites, discover the rich heritage and diversity of different cultures, and experience the places we've studied in class. Students will grow and mature as individuals and return home with a whole new worldview.

**Please read the enclosed materials and join us at the informational meeting on Monday, October 2nd at 6:30 P.M. in the Mapleview LMC to learn more.** During the meeting, we will discuss the benefits of intermediate travel, our experiences during previous intermediate trips abroad, the itinerary, safety, fundraising options available, cost, what is included, and how to apply. If you have questions, please do not hesitate to contact us directly.

We hope to see you there!

Sincerely,

Emily Berndt

# SPIRIT DAYS

Mark your calendars for these Woodland Spirit Days in September!

On Friday, September 22, 2017 students are invited to wear their Kimberly gear or red and white in celebration of Homecoming at Kimberly High School. Popcorn will be served as a snack for all students. The PTO will need volunteers for popping. Please click here to sign up if you are able to help out.

On Thursday, September 28, 2017 students are encouraged to wear their Packers gear or green and gold to celebrate the Packers game that evening.

**Show your school spirit!**

# Be a Sub!

## Join our team as a Sub!

Do you enjoy working with children while maintaining a flexible work schedule? Have you considered becoming a substitute teacher?

The Kimberly Area School District is seeking talented Substitute Teachers who want to join a team of ambitious professionals who help all students succeed. Sometimes, our educators are away from their classrooms for things like professional development or when they are ill. That's when we need talented individuals to continue providing a high-quality education to our students.

### Qualifications:

- **Current Wisconsin Educator License**
- ***-Or-*** a **Bachelor's Degree** from an accredited Institution of High Education, completion of **Substitute Teacher Training** and current **Substitute Teacher Permit.**
- Have a **Bachelor's Degree** but **not a Substitute Teacher Permit**? Contact us at (920) 788-7900 to learn more about pursuing training to obtain a Substitute Teacher Permit.

Substitute Teachers new to KASD are supported by helpful District staff at each building. The District uses an online Substitute Teacher System (AESOP) where you can view and customize subbing positions you are most interested in for your subbing career. ***KASD offers a competitive daily pay rate for our substitute teachers.***

Are you ready to join a team of talented professionals who help students become community, college and career ready? Complete an application through WECAN (Wisconsin's K-12 hiring website) by visiting https://services.education.wisc.edu/wecan.

***Learn more about the Kimberly Area School District at [www.kimberly.k12.wi.us/careers](www.kimberly.k12.wi.us/careers).***

*The Kimberly Area School District does not discriminate against candidates on the basis of race, color, creed, marital status, sex (including transgender status, change of sex, sexual orientation, gender expression, gender transition, gender identity or sexual identity), pregnancy, ancestry, political belief or activity, military or veteran's status, arrest or conviction record, use or non-use of lawful products, religion, national origin, age, disability, or any other status protected by law. Concerns or questions should be directed to the District's Compliance Officer, the Director of Human Resources, at Kimberly Area School District, 425 S Washington Street, Combined Locks WI 54113.
